Dear Mr. Weild:

We are sorry to learn from your letter of June 12th that you are no longer practicing as an architect and therefore wish to resign your membership in The Institute.

We shall arrange for the acceptance of your resignation as soon as possible, but first must call to your attention that the first quarter of 1943 Institute dues are delinquent and a payment of \$7.00 for such dues is necessary to permit acceptance of your resignation as a member in good standing.

It is hoped that when conditions change in the profession you will again resume practice and your membership in The Institute.

With best wishes for your success in your new work.

Sincerely yours,

Dear Mr. Kemper:

In reply to your communication of June 16, I am enclosing check in the amount of \$7.00 in payment for dues for first quarter of 1943 which I understand are now delinquent. I appreciate your calling this to my attention as I certainly do not want my resignation to go on record while not in good standing.

Our Local Chapter has been badly broken up due to the war conditions and various business alliances which have separated the members. However, I am sure that the spirit of everyone is when conditions again permit to reform this chapter and strive to make it one of the best in the country.

With best wishes, I remain

Dear Mr. Neild:

Your application for readmission to membership in The Institute and assignment to the North Louisiana Chapter, dated January 1, 1948, was received here from the Chapter on January 19, 1948, with your check for \$25.00 attached. Your desire to again become a member of The Institute is appreciated by The Board.

In sending in your remittance of \$25.00 you probably had in mind the dues for 1943, namely \$20.00 for the year. The dues for the current year are \$25.00. Former members requesting readmission must pay the readmission fee of \$5.00 plus the regular dues of \$25.00 - a total of \$30.00 to be paid.

Your check for \$25.00 covers the dues for the current year. An additional payment of \$5.00 for admission fee will be necessary to complete your application.

Otherwise, the application appears to be in due order. As soon as the additional remittance is received, the application will be put forward for action by The Board.

Sincerely yours,

Edmund R. Purves

Dear Mr. Neild:

The Secretary is happy to inform you that your application for readmission to membership in The Institute was acted on favorably by The Board of Directors and that you were readmitted to corporate membership in The Institute and assigned to membership in the North Louisiana Chapter, effective February 12, 1948. You will be a member of that Chapter, or of some other chapter if you later transfer thereto, until your membership in The Institute terminates.

The Board of Directors welcomes you again to membership in The Institute and The Secretary's office is at your service to the extent of its powers.

The policies and activities of The Institute are developed largely from problems arising within the chapters. By taking an active part in your chapter affairs you will contribute to the advancement of the objects of The Institute and will increase the benefits to be derived from Institute membership.

We bespeak your active cooperation.

Sincerely yours,

Secretary
