Gentlemen;-

I am mailing you under separate cover ~~some~~ blue prints of work executed by myself, which I will be pleased to have you consider with my application which you now have on file.

I have delayed mailing these drawings on account of only having been in partnership with Willard C. Northup for a little over a year, and we have very little completed work at this time. We were in partnership before the war, and dissolved same at the outbreak of the war, he and myself both going into service.

I am sending plans and photographs of perspective of the new Municipal Building this city, which contract has just been let for about \$500,000.00. Also plans and photographs of a rural school building, and Administration building at Slater School, this city.

Also photograph of Fairview School, and Granville Grade School, both this city, which I designed about ten years ago, but the plans are not available.

Hoping that these documents will meet your requirements, I am

Very truly yours,
