Gentlemen:-

Last January I stated to my Chapter that I wished to take advantage of the Veteran Membership clause of the A.I.A. Constitution. The formal request was acted upon in April, but I was not officially notified of the action until the receipt of the enclosed. I suppose this action includes the annual dues of the Institute.

My membership dates from November 27, 1900. I would appreciate it if you would advise me further regarding procedure.

Yours truly,

My dear Mr. Bergstrom:

I do not want you to think I have not given attention to the bills mailed to me: but I cannot pay them. Some time ago I petitioned for the status of a supernumerary member, as in my relation to the S. Penna Chapter. I rec'd a form that required the attestation that I was 20 years of age. I did not know, as was informed that exception could be made to this requirement. I was born May 1, 1871 & have paid dues from Nov. 1908, & have not been in practice for years, receiving my firm connections when I became state architect of N.Y., 1913. If an exception be made I will be glad to execute the formal application.
