My dear Mr. Porter:-

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective April 13, 1925.

You have been assigned to the Colorado Chapter as an Institute member in good standing therein, and the Secretary of the Chapter has been so advised.

Your application will probably be acted upon sometime. The enclosed statement covering dues for the last three quarters of the current year should receive your early attention.

May I take this opportunity to say that the office of the Secretary at the Octagon is for the service of every Institute member. Should the occasion arise, we shall be glad to give you our best cooperation.

Very truly yours,

Dear Mr. Porter:

We write with regret to advise you of the termination of your membership in the Institute and the Chapter to which you are assigned, effective December 31, 1935.

As stated in the Notice of December 6th, the Board of Directors extended the time limit for payment of dues in default to January 31. It directed that 1936 dues be not charged against the accounts of those memberships so terminated.

The Officers and Board sincerely hope that as soon as improved conditions enable you to renew your support of the Institute and the Chapter you will apply for reinstatement in the manner indicated on the enclosed excerpt.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.

Dear Mr. Porter:

The Secretary is happy to inform you that your application for readmission to membership in The Institute was acted on favorably by The Board of Directors and that you were readmitted to corporate membership in The Institute and assigned to membership in the Colorado Chapter, effective September 12, 1945. You will be a member of that Chapter, or of some other chapter if you later transfer thereto, until your membership in The Institute terminates.

The Board of Directors welcomes you again to membership in The Institute and The Secretary's office is at your service to the extent of its powers.

The policies and activities of The Institute are developed largely from problems arising within the chapters. By taking an active part in your chapter affairs, you will contribute to the advancement of the objects of The Institute and will increase the benefits to be derived from Institute membership.

We bespeak your active cooperation.

Sincerely yours,

Dear Ned:

I am home in my own little bailiwick, tickled to death to see my dear wife, not to mention my three precious grandchildren - and they apparently glad to see me. I still glow with pleasure and gratification as I think of our recent Committee meeting and of the splendid gentlemen I was privileged to meet, and their wisdom and earnestness in the task assigned to them.

It was particularly pleasant to see you again, and I am sorry that you were indisposed for a spell.

I look forward to seeing you again, and sincerely hope that both of us can be at many of the meetings and conventions to come.

Thank you very much for your kind letter of February 16. It cheered me up a great deal to have such a welcome message.

We did have an interesting meeting in Memphis and I was only sorry to have been forced to miss so much of it.

Maybe it will be my good fortune to find myself in Wyoming again and see you and my other good friends there.

Dear Mr. Purves:

In order to complete my personal records,
I should appreciate your advising me, at
your convenience, the dates of my member-
ship in the Institute.

Originally I was taken into ^{AIA} membership
with the Colorado Chapter, on April 13th,
1925. Some time during the 1930's I was
not a member, later applying for rein-
statement. It is the dates of my cancel-
lation of membership and again returning
to the Institute that I am interested in.

On March 15th, 1947, the Institute granted
a Charter to the Wyoming Chapter, and my
membership was transferred to the new
Chapter.

FILE COPY - PLEASE RETURN

Dear Bunk:

In view of the fact that you have been nominated for the office of Regional Director of your region, without opposition, it is entirely likely that you will be elected by the 1958 Convention of The Institute to fill that office. Experience indicates there is very little probability of a floor nomination and election of another member from your region as Regional Director.

In order that you may become acquainted with some of the matters which have come before The Board of Directors during the past year, and so that you may learn the extent of the discussions at Board meetings, we are sending to you, under separate cover, copies of the Minutes of The Board and Executive Committee meetings of the last year, as follows:

Board Meetings -

Annual - February, 1957
Pre-Convention and Organization
Meeting - May, 1957

Executive Committee Meetings -

August, 1957
January, 1958

We are also sending in the same packet copies of The Institute's By-Laws and various other documents with which you should be familiar to a greater or lesser extent. It is not essential that you know all of these items in detail, but you should have some general knowledge of them.

We are sure that in view of your years of service to The Institute in various capacities, much of this is already known to you, but we are endeavoring to make a rather complete record for your files.

Should you desire any other publications, we shall be pleased to mail them to you promptly.

We shall look forward to seeing you at the 1958 Convention in Cleveland.

Yours sincerely,

Mr. Frederic Hutchinson Porter, Sr., F.A.I.A.
1009 East Lincolnway
Cheyenne, Wyoming

Dear Mr. Porter:

The American Institute of Architects desires to confer upon you the honor of Fellowship and membership in the College of Fellows in accord with the action of The Jury of Fellows at its recent meeting, for your notable contribution in Service to The Institute.

The purpose of this letter is to request your presence at the 1961 Convention of The Institute, to be held in Philadelphia, Pennsylvania, starting April 24, 1961.

At a special ceremony to be held on the afternoon of Wednesday, April 26, at the Philadelphia Museum of Art, those who have been elected to Fellowship will receive their certificates and medals. Presentation will be with appropriate ceremony and it is highly important that each of the newly-elected Fellows be present.

The Officers of The Institute and The Jury of Fellows join in the request that you come to receive this honor in person. Please send your response to The Octagon at an early date.

The Public Information Department will issue press releases announcing the names and home towns of the newly-elected Fellows. The releases will suggest to editors that they get in touch with local chapters for pictures and biographical information and the new Fellows' architectural accomplishments.

Chapters will be advised of these releases well in advance of their issuance.

Will you please send a 5 x 7 black-and-white, glossy photograph, suitable for newspaper use, together with a short biographical sketch, to the Department of Public Information at Institute headquarters?

Yours sincerely,

J. Roy Carroll, Jr., F.A.I.A.

29 March 1961

Dear George:

I am grateful, proud, humbled and somewhat overwhelmed at the great honor that the College of Fellows will bestow on me through your Jury. Of course, I knew that my Chapter had nominated me, but I can truthfully say that I did not expect such an honor at this time. Your consideration and kindness will, I promise you, prompt me to further efforts toward really deserving this recognition.

With warmest personal regards

Sincerely yours

Frederic H. Porter

Dear Bunk:

When Vi and I had to leave early from the Board luncheon on April 28th, there was no chance for personal farewells to graduating members of the Board.

As a newcomer who had just had time to get acquainted, I wish this were one time when the inevitable change could have been postponed. You did so much to bring me quickly into the free and easy spirit of friendship that prevails in this "august" body.

May there be many occasions to work* together in other ways for A.I.A.!

Sincerely yours,

William H. Scheick, A.I.A.

Dear Bill -

I'm sorry to say that I will have to drop my membership in the Institute; Reasons. I retired from practice three years ago due to impaired vision. I have also suffered some severe financial reverses.

In thus having no income I will simply not be able to pay my dues. Should have written to you sooner but delayed due to embarrassment.

Regretfully

Dear Bunk:

I was indeed distressed by the sad news of your financial setbacks and impaired vision.

However, I'm glad that you have written because you are eligible for Membership Emeritus. Many members - both active and inactive - enjoy this status. It permits them to remain members of the AIA indefinitely, with full rights and privileges, while being relieved of dues payments to their chapters and the AIA.

We are taking the proper steps to effect your election and trust this is all right with you. You should be advised of the Secretary's action in a couple of weeks.

With all good wishes.

Cordially,
