Dear Mr. Reimers:

Acting for the Secretary, I am pleased to advise you of your election to membership in The American Institute of Architects, effective December 30, 1927.

You have been assigned to the Northern California Chapter as an Institute Member in good standing therein, and the Secretary of the Chapter has been so advised.

The enclosed statement covering dues for the year 1928 should receive prompt attention.

May I take this opportunity to say that the office of the Secretary at The Octagon is for the service of every Institute Member. Should the occasion arise, we shall be glad to give you our best cooperation.

Cordially yours,

Executive Secretary.

Gentlemen:

In reply to yours' of May 29th regarding delinquents and following out the unanimous vote of our Chapter Board, I have interviewed our Frederick H. Reimers regarding his back dues amounting to \$45.00. He assures me that since he was forced to go through bankruptcy he has been unable to meet his Institute obligations, except for a small amount, but that any leniency you can show him will be very greatly appreciated. He seems to have a very sincere desire to pay up and retain his membership. He is a valuable man to us, a good architect and expects to make a substantial payment at an early date.

Our Board asks that you extend all possible courtesies to him. We will cooperate.

Sincerely yours,

President, Northern
California Chapter.

December 31, 1933.

My dear Mr. Reimers:

We send the enclosed bill for Institute dues for the year 1934, with an explanatory letter from the President, so that you can see just what is proposed by the Board of Directors with respect to a reduction in dues for the year 1934, and readjustment of outstanding dues for the three-year period, 1931-1933.

As you will note, the proposed readjustment with respect to outstanding dues applies back as far as 1931. It does not apply to unpaid dues for the year 1930.

On the record at The Octagon, it appears that your indebtedness for 1930 is \$5.00, and in addition \$75 for the years 1931, 1932, and 1933.

The Officers of the Institute do not wish to lose your affiliation and your moral support at this critical stage of affairs.

They, therefore, express the hope that you will send a check covering the outstanding account for 1930 and thereby be in position to take advantage of the Board's proposal. Such action would reduce the charge against you to \$15 for the year 1934, plus \$5 a year until \$25 has been paid for the period 1931-1933.

The above is on the presumption that the Convention will approve the proposals outlined.

If we do not hear from you by January 30, we will presume that you wish your Institute membership terminated for non-payment of dues, effective December 31, 1933. We sincerely hope that such will not prove to be the case.

Sincerely yours,

Assistant Treasurer.
