Dear Mr. Redlich:

It is with genuine regret that I write, as Secretary of the Institute, to advise you of the termination of your membership in the Institute and your Chapter, effective June 30, 1931, for non-payment of Institute dues.

The Treasurer, and the Secretary's Office, sent to you various statements of account and letters in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your affiliation with The American Institute of Architects and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the current year, and for that reason the Institute made a special effort to retain your membership as long as possible.

It is believed that you will approve of the action taken. The alternative was to allow the dues to so increase as to make future reinstatement a heavy expense.

May I venture to express the personal hope that conditions in your locality will soon improve, and that you will then make application for reinstatement in the Institute and the Chapter?

The reinstatement procedure is easy and can be accomplished by addressing a letter to the Secretary of the Institute, through the Secretary of the local Chapter.

With best wishes, and with the hope that we may soon regain you as a member of The American Institute of Architects, I am

Sincerely yours,

Secretary.
