Dear Sir:-

I have been informed by the Secretary of the New York Chapter that you have resigned from membership in said Chapter. Will you kindly let me know if you are removing from the territory of the New York Chapter and if it is your intention to ally yourself with some other Chapter? You know that Chapter membership is now a requisite of Institute membership, provided one resides within the territory of a Chapter. You will find under Article IV. Section 4, of the By-Laws, the following provision in regard to resignation from a Chapter:

"Resignation from a Chapter shall imply resignation from the Institute."

But this of course does not apply to members who merely resign in order to transfer their membership to another Chapter. Will you kindly let me hear from you in the Matter?

Yours very truly,

(Signed) Glenn Brown,
Secretary.

Secretary American Inst. of Architects

Dear Sir:—

I am applying for a certificate to practice architecture in New Jersey and if, at your earliest convenience, you will send me a letter addressed to the "New Jersey State Board of Architects" stating that I have been a member of the Am. Inst. of Archts. and resigned in good standing, I shall be much obliged. I should receive this letter on the 18th inst. in order to present it at the next meeting of the New Jersey Board.

I became a member of the A. I. A. about 1904, and resigned membership in Dec. 1912 by a resignation to the New York Chapter of the Institute, as described in the letter of your Mr. Glenn Brown to me dated Jan. 30, 1913. My resignation to the A. I. A. was accepted by your Executive Committee Feb. 14, 1913, after reception of my letter of Jan. 31, 1913, to Mr. Brown. Your prompt attention to this matter will be much appreciated.
