

Duluth Minn., Feb., 20th 1894.

To the Board of Directors of the American Institute of Architects:

Gentlemen:- I hereby apply for the privilege of regular membership in your Institute.

My full name is *Edwin S. Radcliffe*.....

My business address is 608 and 609 First Nat'l Bank Building
Duluth Minn.

The name of my firm is Radcliffe and Willoughby.

I have practiced the profession of architecture for 17 years.

The accompanying photographs, numbered respectively 1, 2 and 3, show completed buildings, erected from my plans and under my supervision.

No. 1 is a Five story store and office building, the Basement, First and Second stories being of Steel construction and the Third, Fourth and Fifth being of Slow Burning construction.

No. 2 is a Twenty Room School, which is considered a model in arrangement, construction and being Slow Burning? Stair cases of Iron, exterior being built of Sand stone, Pressed Brick and a Slate Roof, the ventilation being perfect.

No. 3 is a Club House of Slow burning construction, Stone and Pressed Brick exterior.

We Fellows of the American Institute of Architects, hereby indorse Mr. Edwin S. Radcliffe's application for Fellowship. We know him personally, we know his work, we believe him to be worthy of membership.
