We have already received a notice of his good standing in the Virginia Chapter, and as soon as we hear from you as to whether this proposed transfer meets with your chapter's approval, final action can be taken.

A similar notice of request for transfer of membership was sent you under date of February 6, 1953, concerning Mr. Robert French, A.I.A., 1321 Bull Street, Columbia, South Carolina, who wished to transfer from the Georgia Chapter to the South Carolina Chapter. The Georgia Chapter has advised us of Mr. French's good standing, and final action can be taken upon receipt of your notice of approval.

We would appreciate hearing from you as promptly as possible.

Dear Mr. Purves:

For a little over a year now I have been in South Carolina where I have a position with the DuPont Company on the Savannah River Plant.

I asked that my membership be transferred from Virginia to South Carolina but to date I've heard from neither chapter.

During all this time I've given much thought to my membership in the Institute and have come to the conclusion that since my work is not truly architectural practice I should give up my membership. I feel that the thirty dollar dues are more than I'd like to pay for what little I can realize as a corporate member.

It so happens that I have not yet paid my 1953 dues and I would like

to know what I will owe if I resign
from the Institute as of the first of
June.

Thanking you in advance for an
early reply, I am,

Dear Mr. Robinson:

We are sorry, indeed, to learn from your letter of May 17th that you have about concluded you should resign your corporate membership.

As it so happened, we had not been able to complete the transfer of your chapter assignment to the South Carolina Chapter, as we had been awaiting advice of that Chapter that the transfer was approved.

After writing to them, recently, to ascertain the status of the matter, we have just received the approval necessary and, if you decide to continue your membership, the transfer can be made now.

You inquire about your A.I.A. 1953 dues. If you wish your resignation to go through, one-half of the year's dues in the amount of \$15.00 would be required to be paid. What dues should be paid to the Virginia Chapter (of which you still are a member) we do not know. You could ascertain this from Mr. Luther E. Warner, Assistant Secretary for Membership of the Virginia Chapter, 424 Dinwiddie Street, Portsmouth, Virginia.

We shall await further word from you as to which course you finally determine upon.

Dear Mr. Robinson:

An error on our part has occurred in your transfer to the S. C. Chapter of the A.I.A., in that one of the requirements for membership is that the member be a registered architect in this state. I would like to apologize to you that we did not so inform you before the transfer was made.

Since you are registered by the National Council of Architectural Registration Boards and in Virginia, I believe you can obtain registration in this state by reciprocity, applying for this through Mr. J.B. Shand, Secretary, State Board of Architectural Examiners, 1226 Bull St., Columbia, S. C.

This should be done as soon as possible so that your transfer to the S. C. Chapter of the A.I.A. can be put into effect. In the meantime your membership will be held in abeyance.

Dear Mr. Rankin:

Please accept my resignation from the Institute the same to become effective immediately. I believe that my present membership is in good standing.

The decision to resign has been the result of careful consideration and is based on the fact that I am no longer practicing as a principal. In order to transfer my membership to the South Carolina Chapter it would of course be necessary for me to obtain registration in this state. Such registration could not be awarded before March of next year at the very earliest.

To all practical purposes I have not been a member of a chapter since February of 1952 and could not be until April or May of 1954. Under the circumstances I feel that continued membership is a luxury which I can ill afford.
