Attention: Hilliard J. Smith, Jr.  
Secretary

Dear Sir:

We received the Notice of Termination of our membership in the A.I.A. due to non-payment of obligations to the Institute. Our payment of the supplemental dues and the special assessment for Special Legislative Promotion was made on January 17, 1973 by our check No. 1683 in the amount of \$979.04.

Upon receipt of this notice we immediately checked to see if the check had cleared our bank and had not at the end of February. We, of course, will stop payment on that check and send another check today, but it would seem that courtesy to a long time member in good standing would deem some kind of notification almost obligatory.

Enclosed is our replacement check, and a notification of receipt would certainly be appreciated.

Very truly yours,

Dear Mrs. Lowry:

Thank you for your check for \$979.04 for 1972 supplementary dues of Messrs. Rochlin and Baran and the special assessment.

However, to reinstate their memberships we will need the approval of the Southern California Chapter and additional payment as follows: from each:

Current regular dues - \$91  
Current supplementary dues (assuming that their readmissions are effected in 1973)-  
to be computed by them  
\*Readmission fee for people who were terminated - \$88

\*The fee may be reduced to \$10 by the Secretary under extenuating circumstances; if they wish to have such special action considered, please explain their reasons

We are holding your check with the hope that we will receive your early response to the above.

Sincerely yours,

Dear Mr. Smith:

We hereby request waiver of all reinstatement charges to return our members Fred Rochlin, AIA, and Ephraim Baran, AIA, to full membership in the Institution.

On 17 January 1973 the firm forwarded a check in the amount of \$979.04 to the Octagon in payment of 1972 supplemental dues and the special \$10.00 assessment for Messrs. Rochlin and Baran. This check was lost between Los Angeles and Washington.

This payment has been received at the Octagon. However, a 28 March letter from Washington acknowledging receipt of the second check advised that there would be a reinstatement charge of \$88.00 maximum and \$10.00 minimum.

We feel this is unfair because the total 1972 obligation had been paid. Although admittedly late, it was sent in sufficient time to prevent the termination action. Only the inefficiency of the mails caused such action.

The good faith of Messrs. Rochlin and Baran has been further illustrated by their 16 March payment of the 1973 dues obligation.

Again, we urge your waiver of the reinstatement charges.

Sincerely,
