APR 10 1929

Mr. Frank C. Baldwin:

My dear Sir. Looking over the Spotlight, I notice under the heading "Retirement" that those who have been in good standing for ten years, upon attaining the age of seventy, shall upon application be retired. Having attained my seventy fourth year - my last birthday, I should be pleased to have you bring this information before the Board of Directors. That I may be enrolled on the list of retired members, which will much oblige

Sincerely yours

My dear Mr. Rossiter:

The April Minutes of the meeting of the Board of Directors have been approved and we are now in a position to write the formal letters.

This will advise you that the Board, by resolution, placed you on the retired list of the Institute, effective April 22, 1929.

This makes no change in your status as an active member of the Institute except that it relieves you of the payment of dues.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.

To the
Board of Directors of the
American Institute of Architects,
Washington, D.C.

Gentlemen:

The Executive Committee of the New York Chapter, at its meeting on June 23rd., in consideration of my request for retirement and remission of chapter dues, unanimously voted I be exempted from further payments. But their action I am told by the Secretary does not exempt me from payment of dues to the Institute, which however I understand I can claim under the provisions of Article 10, Section 2, of the By-Laws, as this privilege is granted me. I respectfully make application for this exemption, and remain,

Sincerely yours,

C. K. Rofiter

Mr. Erick K. Rossiter,

Dear Mr. Rossiter:-

The Executive Committee of the Chapter at its meeting on June 23, considered your request for retirement, and remission of Chapter dues, under the provisions of Article 4 - Section 5 of the Chapter By-Laws.

As you have been, for a continuous period of ten years, a member in good standing in the Institute and have reached the age of seventy years our Committee unanimously voted that you be exempted from the further payment of Chapter dues and that you retain all the privileges of Membership so long as you do not engage in any other profession, business or trade.

This action does not exempt you from payment of dues to the Institute but under the provisions of Article 10 - Section 2 of the By-Laws of the Institute you may be exempted from the payment of Institute dues upon your application to the Board of Directors of the Institute.

With kindest regards and best wishes,

Cordially yours,

Dear Mr. Rossiter:

We have your letter of June 25th, addressed to the Board of Directors of the Institute and making application to be placed on the Retired List of Members of The American Institute of Architects.

Therefore, we are placing your recent letter in the files, as it will require no further action.

Sincerely yours,
