CONCERNING

DATE January 30, 1933

E. C. Kemper, Esq.
American Institute of Architects
"The Octagon"
Washington, D. C.

Dear Mr. Kemper:

I am enclosing herewith application of Geddes, to which I have previously referred, with check to the amount of \$50.00 covering initiation fee and first year's dues, the application properly signed by three members of the Institute and the President of the Rhode Island Chapter.

You will note, however, that Item #2, signature of the Secretary of the Chapter, as applying to the date of election of the candidate to the Chapter, is at present unfilled. This is due to the fact that we have not yet had opportunity to act on the application received at our January meeting, but plan to do so in the immediate future. In this case I presume a letter from the Secretary covering this point will answer every purpose.

Please be assured it is a pleasure to send forward an application at this time when the general trend of events is decidedly the other way.

With kind personal regards, believe me

Sincerely yours,

My dear Captain Geddes:

According to the record at the Octagon your Institute dues for the year 1942 were paid in full.

The 1943 dues of \$20.00 can be waived because you are in military service, as per the enclosed excerpt.

In accord with your request, we have written to the Rhode Island Chapter and, subject to the approval of the Chapter, will complete the waiver here, sending notice to you in due course.

With best wishes.

Sincerely yours,

Dear Mr. Geddes:

We have been advised by the Secretary of the Rhode Island Chapter, Mr. Philip D. Croser, that you returned to civilian status as of September 21, 1946.

As you may recall, the waiver of a member's dues on account of military service terminates upon his return to civilian life - with the provision that such termination shall be on that June 30 or December 31 which follows the date of such return.

Therefore, your Institute dues will start again on January 1, 1947 and a statement will come to you in due course.

Your address on our records is as indicated at the bottom of this letter.

If The Institute can be of service to you in any way here in Washington, please command.

With best wishes for a constantly improving practice of architecture, I am

Dear Mr. Kemper:

Thank you very much for your letter of congratulation and for your offers of assistance. I am almost sure to call on you sooner or later.

I note that you address this last letter to "J. Peter Geddes" at "1004 Hospital Trust Bldg." For the sake of the records I should very much prefer that my name was carried by the Institute as James Peter Geddes which is the way my registration reads and is the way I now use it. For the register of members my address is now just Hospital Trust Bldg. and the firm is as the heading on this sheet.

For Mrs. Geddes' entry in the register, she would appreciate it if it could read as follows:
Geddes, Margaret B. (Mrs. J. P.) (R.I.)
(Geddes and Kelly)
Hospital Trust Bldg., Providence, R.I.

I would like to call your attention to the fact that I have not as yet received a bill for 1947 dues, or a membership card. I should hate to have the President of the Rhode Island Chapter found in arrears.

Sincerely,

James Peter Geddes.

Dear Mr. Geddes:

We have learned with pleasure that you have been selected as an alternate member of the Regional Judiciary Committee for the New England District and have accordingly enrolled your name. You are undertaking an important assignment and one which entails a considerable amount of responsibility. It will be necessary for you, therefore, to divorce yourself from all local discussions of ethical matters and absent yourself from any meeting where such matters are discussed.

The function of the Regional Judiciary Committee is to act primarily in the manner of a grand jury and to determine as to how the cases which are brought before it may best be disposed of and make recommendations accordingly. It is not the function of a Regional Judiciary Committee or any of its members to act as prosecutor or to instigate proceedings in matters of unprofessional conduct (unless you should find yourself a direct party to some case, in which instance you would have to disqualify yourself from further action as a member of the Judiciary Committee in that particular case).

For your information, we are sending you copies of the By-Laws of The Institute, the Rules of The Board (your attention is directed to Chapter XIV) and a Review of some of the judiciary cases taken from the files of The Institute.

As questions arise, we shall endeavor to keep all judiciary committees informed so that actions and procedures shall be as uniform as possible throughout the domain of The Institute.

If you have any further questions or if we can be of assistance to you, please do not hesitate to call upon us.

Yours sincerely,

Edmund R. Purves, F.A.I.A.
Executive Director
