Dear Mr. Gerber:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find of interest, and a lapel emblem.

The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that The Secretary's Office is at your service to the fullest extent of its powers.

By direction of The Secretary.

Your application is being held in abeyance pending the recommendation of the Broward County Chapter, for which we wrote on April 1, 1976.

Further action will be taken when we hear from the Chapter.

In the meantime, please ignore any invoices you receive for 1976 dues. The necessary adjustment will be made to your account at the proper time -- when the Secretary takes final action.

Per BL 12/14*

Dear Maureen:

First, my apologies for causing you so much trouble but, as I mentioned to you on the phone, our Chapter Secretary, Ralph Cook, was not fulfilling his duties for several months before his termination and I have only last Friday finally gotten all of the Chapter's records which he had in his possession.

We have quite a pile of problems here because of his lack of action and I'm doing my best to straighten everything out.

The Chapter Board has as of this date taken the following action:

1. Elkan Groll - approved his application for Emeritus status.
2. Erwin Gerber - approved his application for Emeritus status and waived the required years of membership based upon his current age and the fact that he is retired; in addition, the Board feels that since he has been an active member he is entitled to the privilege even though he joined the Institute late in life for he could just as easily have chosen not to join at all or to simply drop his membership.
3. Richard Burnett - approved his request for transfer to our Chapter.
4. Richard S. Rubin - approved his request for transfer to our Chapter.

Thank you again for all your help during our problems.

Sincerely,
