Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective March 10, 1921.

You have been assigned to the St. Louis Chapter as an Institute member in good standing therein, and the Secretary of the Chapter so notified.

Gentlemen:

The members of this Firm for years associates, of the American Institute, have until now, hesitated to address you concerning Institute dues for 1932, hoping that business conditions might improve. There is no immediate prospect of that and we therefore, ask you to treat our memberships as lapsed from January, first of this year.

We have treasured our memberships and regret the decision. When we can again practice our profession, we will ask reinstatement and in the meantime remain with respect,

Sincerely yours,

Dear Mr. Kemper:

With reference to the discontinuance of the following
members of the A I A and Arkansas Chapter,

Chas. L. Thompson
Theo. M. Sanders
Frank J. Ginoschio Jr.
Harry Wanger
Milton King

these members are all in good standing with the Ark. Chapter
and are members of the oldest and best architectural firms in
the city representing the firms of, Thompson Sanders & Ginoschio
and Mann Wanger & King and regret very much that they feel the
necessity of withdrawing at this time.

Having talked to several of them, they feel that it is a case
of necessity to conserve as there has been no architectural work
here for over a year with not much prospects for the immediate
future so will recommend the acceptance of their resignation
much to my regret.

This makes quite a dent in the Arkansas Chapter but will
watch and see what the future brings forth.

Dear Mr. Ginoecchio:

It is with genuine regret that we have received your letter of November 8th, concerning the discontinuance of your membership in The American Institute of Architects and the Arkansas Chapter, because of the financial obligations involved.

The Treasurer and the Secretary's Office have sent to you various statements of account in the hope that you would find it possible to make a remittance, in whole or in part, and thereby continue your membership in The Institute, and your Chapter.

It is realized that conditions in the building industry have remained on a most unfavorable basis during the current year, and for that reason the Institute is making a special effort to retain your membership as long as possible.

According to our records your indebtedness is for the year 1932, in the amount of \$25.00.

The By-laws, as you may know, provide that a resignation cannot be accepted unless a member's dues are paid. If the suggestion meets with your approval, the Treasurer would be glad to accept your notes for your indebtedness for 1932. This would allow him to recommend to the Board that your membership be carried into 1933 without impairment.

In this crisis the Institute, as the national association of the architectural profession, and the local Chapter as its embodiment in the community, greatly need the moral support of the leading members of the profession - as such support is evidenced by their interest and membership.

We hope very much that it will be possible for you to continue as a member of The American Institute of Architects and the Arkansas Chapter.

Sincerely yours,

Mr. F. J. Ginoecchio, Jr.,
