Dear Sir

Be kind enough  
to inform me what  
of anything the Institute  
did with my application  
last meeting. I do not  
desire to fret the matter  
but if Ohio Opposition is  
keeping me out I may  
just as well give it  
up - I enclose business card  
to explain that opposition -  
if I have any - If it is  
proper for me to know  
the points made against  
me be kind enough to  
inform me - but not other-  
wise -

Very Respectfully  
D. W. Gibbs
