A member, by virtue of his membership in The Institute, becomes a member of the chapter of The Institute within the territory of which he resides or has his place of business, as he elects, but he pays an admission fee to The Institute only. The admission fee to membership in The Institute normally is twenty-five dollars. (For 1936 this fee was reduced to five dollars.)

A member pays annual dues both to The Institute and to the chapter. The annual dues to The Institute normally are twenty-five dollars (for 1936 Institute dues were reduced to twenty dollars) and those to the chapter are fixed in its by-laws.

Normally the period between the time of filing

an application and the time it is acted on by The Board of The Institute is four months. The period will be longer if the application must be returned to the applicant for corrections or if additional exhibits of the applicant's work are required by The Board of Examiners.

If an application is denied, the amount prepaid by the applicant for annual dues and for admission fee, less five dollars for examination fee, will be returned to him.

An applicant whose application has been denied without prejudice may reapply for admission to membership a year or more after the date of The Secretary's notice to him of his non-admission.

NOTICE OF SUSPENSION OF MEMBERSHIP

March 1, 1951

To: Mr. Raymond Gregori
30 North LaSalle Street
Chicago 2, Illinois

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in its component organizations to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1950. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute before December 31, 1951.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Secretary.
