Dear Mr. Green:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find interesting, and a lapel emblem. In approximately two months you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter.

You are assigned to the Boston Society of Architects Chapter and the Massachusetts State Association of Architects of the AIA, effective July 30, 1968.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of The Institute officials or staff members any time the need arises.

Sincerely yours,

George E. Kassabaum, FAIA
