January 15, 1917.

My dear Sir:

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective January 2, 1917.

You will receive later the Proceedings of the Fiftieth Convention; and the Year Book for 1917, which in addition to the membership records contains the official documents of the Institute relating to matters of professional practice.

The enclosed statement for dues should receive early attention, as the engrossed Certificate of Membership is not sent until the dues for the first year have been paid, and election becomes void for non-payment within three months of this date.

May I take this opportunity to say that the office of the Institute at the Octagon is for the service of every Institute member. Should the occasion arise, we will be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.

Mr. Charles D. Hill,
Dallas, Texas.

ly door let 1211:

At the December meeting of the Executive Committee a list of those indebted to the Institute for dues for two years or more, was considered. Your name appears on this list with an indebtedness of \$60.00 for dues for 1920, 1921 and 1922.

In acting upon the list as a whole the Committee directed that those who do not make payment in whole or in part or do not reach some agreement with the Treasurer as to future payment before February 15, 1923, be dropped from the Institute, and their respective Chapters for non-payment of dues, effective February 20, 1923.

The Escentive Committee would regret very such to lose your support of the Institute, and of the work it is try-ing to do for the profession. On behalf of the Committee, I express the sarrest hope that you will make a special effort and pay scenthing on account - as an expression of good intention. This would possit the Treasurer's Office to continue you as an institute member in good standing for another year, and would give you ample opportunity to clear the account.

In view of the promising outlook for the profession, and the Institute's desire for your continued cooperation, may we not bear from you.

Vory truly yours,

Assistant Processes.

Mr. Chas. D. Hill, 801 Sumpter Bldg., Dalls, Toxas.

THE AMERICAN INSTITUTE OF ARCHITECTS THE OCTAGON, WASHINGTON, D. C.

December 10, 1923.

Dear Mr. Hill:-

It was with regret that the Treasurer had to report to the Officers and Directors of the Institute at their last meeting a large amount still in default covering payment of dues for the current year.

The Directors discussed the matter seriously as the money is needed to meet the balance of our obligations for the year and moreover it seemed to them not quite fair that members who have paid their dues are not only meeting atheir own obligations, but assisting to pay the cash expense necessary to supply the Journal, etc., to those members who have not paid their dues. The Directors passed the following resolution:

RESOLVED, that those members delinquent for more than one year on January 1, 1924, be given until February 1, 1924, to make payment in whole or to reach some agreement with the Treasurer as to future payment. Otherwise the Institute membership of each delinquent coming under this resolution shall be terminated on March 1, 1924, upon notice to him from the Secretary to that effect.

I am sending this to you as an appeal to make a remittance to the Treasurer of \$80.00, including the dues for 1923 which, as you know, were payable eleven months ago.

I trust that you will write me promptly and also frankly if for any reason you cannot pay all or any part of the amount at the present moment.

Hoping that you will do your part to help the Treasurer make a better report at the next meeting of the Board of Directors, I remain,

Sincerely yours,

Treasurer.

Mr. Charles D. Hill, Sumpter Building, Dallas, Texas.

March 27, 1924.

Dear Mr. Hill:-

This will advise you of the formation of the North Texas Chapter of the American Institute of Architects, offective North 4, 1924.

As you are residing within the territory of the North Toxas Chapter, we have transferred you, as an Institute Member in good standing, from the Texas Chapter to the North Texas Chapter, effective March 4, 1924.

We have advised Mr. H. A. Overbock, Chairman of the Organizing Group of the North Texas Chapter, to whom we are sending all Institute communications for the time being.

By direction of the Secretary.

Very truly yours,

Executive Secretary.

Y Your indebtedness to the Institute for dues is \$100.00, insculing the our only your.

At the meeting of the Board of Directors last November a reselation was adopted to the effect that each delinquent who owed for two years or more on Jensery 1, 1924, should be removed from Listitate end Chapter membership taless he made a satisfactory payment on account or some arrangement with the Treasurer, on or before Earch 1, 1924.

You have received several latters and telegrams from the Treasurer about this matter and according to the records at the Octagon House you have not found it possible to meet the liberal conditions contained in the rescultion, thereby saving your Manhorathip.

This situation is much regretted, for the Institute Officers and Directors are let to lose a member for financial reasons, but fairness to those who are paying dues and supporting the work of the Society provent further delay. This will formally advise you of the discontinuous of your institute and Carpter ambercaip, offective land 1 1924.

The Secretary of your Chapter has been so advised through a copy of this letter.

On behalf of the Treasurer and the Secretary, I express the hope that improved business conditions will soon permit you to meet your obligation now standing on the Institute Books, and at the same time apply for reinstatement.
