Dear Mr. Ruegg:

We have today received from the Octagon a Notice of Request for Transfer for you from this Chapter to the Reno Chapter.

According to our records, you were transferred to that Chapter early in 1953, and we have not kept you on our roster, nor billed you, since that time. Apparently, however, that transfer was not official.

Before we can inform the Octagon that you are currently in good standing in this Chapter it will be necessary, therefore, for you to remit dues for 1953, 1954 and 1955.

Dues for those years were as follows:

1953	\$35
1954	40
1955	40

Upon receipt, therefore, of your check in the amount of \$115, we will inform the Octagon that your transfer meets with the approval of the Executive Committee of this Chapter.

Sincerely yours,

Dear Mr. Purves:

Receipt of a copy of a letter regarding transfer of My membership, from the Northern California Chapter of the A.I.A., makes it imperative I write you in explanation of my position.

Indications point out the fact you also received a copy of a letter addressed to me, from the Northern Calif. Chapter, under date of March 5, 1956. There is no indication however, that the A.I.A. received a copy of a letter written me by the Northern Calif. Chapter under date of Jan. 13, 1953. In an effort to advise you of all the facts concerning my status an exact copy of that letter is enclosed herewith.

It appears I am in error in not making a request for transfer to the Reno Chapter at once. It is an unintentional error of omission, due to unfamiliarity with A.I.A. procedure.

Employed as one of the boys in an Architectural office, reticent by nature, I was reluctant to push myself into the professional organization with my employers. I was simply interested in doing my job well.

SAN FRANCISCO 4, CALIFORNIA

Now, as I have demonstrated my mettle my employers have indicated they desire my association with them professionally, in consequence of which I have made application for a transfer to the Reno Chapter of the A.I.A.

In the interim I have done but two additions, under my own name, to Church project for which I had made the original designs. I have maintained my affiliation with the national organization, and I have learned by experience that such affiliation contributes toward ones prestige.

In view of the letter from the Northern Calif. Chapter of the A.I.A. under date of Jan. 13, 1953, the letter from the same Chapter under date of March 5, 1956 is rather arbitrary and somewhat insulting. Quietly and unobtrusively I have gone my way as seemed best and can see no good reason for being penalized \$ 115.00 for minding my own business.

Respectfully submitted,

Dear Mr. Ruegg:

We are writing with further reference to your request to transfer your chapter assignment from the Northern California Chapter to the Reno Chapter.

The Reno Chapter has approved of this assignment thereto; however, we cannot complete the transfer until you restore your membership to good standing in the Northern California Chapter.

Although you have been located in Reno for the past several years, there is no alteration thereby in your obligation to maintain your membership in the Northern California Chapter to which you were assigned by The Board of Directors of The Institute.

Under date of March 5th the Treasurer of the Northern California Chapter wrote to you with regard to your unpaid chapter dues for 1953 to 1955, inclusive, which must be paid before that Chapter can certify to The Institute that your membership is in order for transfer of chapter assignment.

These are provisions of the By-laws of the A.I.A. and not only Chapter requirements, so the Chapter has no alternative but to insist upon these payments.

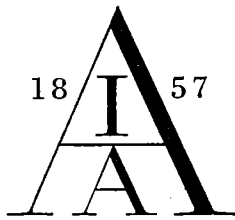

We hope you will find it possible to take care of your chapter dues at an early date. We should like to complete your transfer as soon as possible.

Dear Mr. Purves:

We are writing to you regarding the membership status of Mr. Theodore G. Ruegg, 160 Chestnut Street, Reno, Nevada.

Mr. Ruegg requested transfer to the Reno Chapter in February 1956 and again in April 1956, and was informed both by this Chapter and by the Octagon that before such transfer could be approved, it was necessary for him to bring his Chapter dues up to date. He owes dues from 1953 on -- a total of \$155.

On November 1, 1956, we informed Mr. Ruegg that unless his delinquent dues were paid by November 15, it would be necessary for us to notify the Octagon of his delinquency. We have had no word from him.

In accordance with the Chapter By-Laws, we have no alternative now but to request the Board of Directors of the Institute to terminate his membership in the Northern California Chapter.

Dear Mr. Ruegg:

As you know, every corporate member of The Institute must be assigned to a local chapter and pay dues to that chapter.

When local dues remain unpaid the chapter may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of The Institute to support the chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned,

The Northern California Chapter, to which you are assigned, has requested that your membership in The Institute and the Chapter be terminated for non-payment of chapter dues.

The purpose of this letter is to suggest that you clear your account with the Chapter, thus preserving your membership in the A.I.A.

Your response to the above will be greatly appreciated not later than December 29, 1956, for we must proceed to act on the Chapter's recommendation to terminate your membership at the next meeting of The Committee on Membership held thereafter, if the past chapter dues are not paid by that date.

Gentlemen:

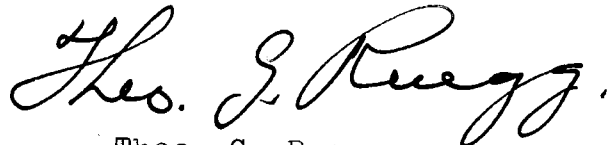

After careful consideration of the possible effects of having my membership in the A.I.A. terminated, I submit my reply to your letter of November 29th 1956.

Membership in the A.I.A. is highly cherished but partakes the nature of a luxury for one employed as a draftsman. A necessary luxury for aspiring youth, but a luxury that must be carefully weighed in the declining years.

I find it difficult to meet the obligation of dues to two organizations and I know that as the years roll on the difficulty will increase, therefore I deem it prudent to allow my membership to be terminated now,

My position was explained in a letter to the A.I.A. under date of April 30 1956. Having no other or new reasons for my actions and no intention of paying past dues to an organization which released me honorably at the end of 1952, I bow to rules and regulations. Perhaps it might be more equitable to pay an initiation fee to the Reno Chapter.

Very truly yours,

Dear Mr. Ruegg:

We are in receipt of your letter of December 12th advising that, after careful consideration of the situation, you feel it will be better that your corporate membership in the A.I.A. and the Northern California Chapter be allowed to lapse for non-payment of dues to that Chapter.

Naturally, we regret that you have decided to allow this to occur, but The Institute Board of Directors must act in accordance with provisions of the By-laws of The Institute requiring that a corporate member must, at all times, be a member of a local chapter as well and under obligation to pay dues as required by that chapter.

When The Board has acted on the Chapter's recommendation formal notification will be sent to you.
