Miss Florence H. Gervais, Secretary  
Jury of Fellows  
The American Institute of Architects  
1735 New York Avenue, N. W.  
Washington 6, D. C.

Dear Miss Gervais:

This letter is to accompany a group of nominations for fellowships which have been proposed and recommended by the Honors and Awards Committee of this Chapter and approved by a majority vote of the Chapter Board at a meeting held on October 21, 1958. Mr. Isidor Richmond is Chairman of the Honors and Awards Committee.

The specific purpose of this letter is to remind you that in previous years when nominations have been submitted by us in this manner you have called our attention to a rule of the Jury requiring signatures of all members of a chapter "Executive Committee", which is normally a small group. As I have pointed out before our Chapter Board has twenty-seven members scattered throughout the eastern part of the state and it is impossible to assemble the entire group at any one meeting, to allow time for circularizing, or to be certain that in such a large group every member would concur in the recommendations of the Honors and Awards Committee.

As your Jury has previously accepted nominations in this form, and with a majority of Board signatures as now submitted, it is hoped that this reminder will clarify the procedure and spare you the necessity of requesting further signatures.

Sincerely yours,

Wm. Bradford Sprout, Jr.  
Secretary

Dear Mr. Sellev:

On behalf of The Jury of Fellows this will acknowledge receipt of your letter of October 29th with which you forwarded nominations for the advancement to Fellowship in The Institute of Messrs. George W. W. Brewster, Walter Edward Campbell, Carney Goldberg, James Lawrence, Jr., Thomas Francis McDonough, and Mrs. Eleanor Raymond.

We also have the nomination form prepared on behalf of Maurice Feather, A.I.A. However, Mr. Feather's nomination is currently before The Jury of Fellows and this further nomination form is being added to the record already in the Jury's files.

The nominations appear to be in good form, with Mr. Sprout's explanation of the lack of signatures of some members of the Chapter's Board of Directors, which will be brought to the attention of the Jury.

The exceptions are as follows:

- 1) Re: Walter Edward Campbell ) Page 3 of their nominations
- 2) " Thomas Francis McDonough) have not been filled in to list photographic exhibits which must be supplied

I'm sure you have in mind that exhibits of the nominees' executed architectural work must be furnished, regardless of the achievements under which the nominees are proposed. The pages 3 of these forms are returned to you, herewith, for completion. *Res'd*

It is noted that the supporting letters from all signers and exhibits of the other nominees will be filed some time prior to February 1st - the deadline for such filing.

You are correct in your understanding that the nomination of Hugh Stubbins, Jr., is ready for submission to the Jury at its next meeting in March, 1959. No further action is required in this connection.

November 9, 1959

Several letters have been written with regard to the lack of photographic exhibits in support of the nomination of Hugh A. Stubbins, Jr., including one to you last April explaining the situation thoroughly.

It is hoped, sincerely, that all of the above letters and exhibits will be filed by January 1, 1960, in order that these nominations will be complete and ready for consideration by the Jury at its 1960 meeting.

With appreciation of your help and cooperation,

Yours sincerely,

Attention: Miss Florence H. Gervais  
Secretary

Gentlemen:

I have been informed by the Honors and Awards Committee of the Massachusetts State Association of Architects that I have been recommended to the Jury of Fellows of the American Institute of Architects for advancement to Fellowship for Achievement in Design.

Since a similar recommendation had been made to the Jury of Fellows last year, the exhibit of photographs of some of my executed architectural work is still in your office.

At the suggestion of Mr. Francis B. Sellow, Secretary of the Honors and Awards Committee, I am enclosing four photographs of two of my projects which were completed in 1959. If it is proper, I would like to add these to my exhibit.

*Rec'd*

Very sincerely yours,

Mr. Leo A. Whelan, President  
Massachusetts State Association of Architects, Inc., A.I.A.  
262 Washington Street  
Boston 9, Massachusetts

Dear Mr. Whelan:

The Jury of Fellows has reported to me the following actions it has taken on nominations before it of corporate members of your Chapter who were considered for advancement to Fellowship:

Elected to Fellowship: Joseph F. Richardson  
Hugh Asher Stubbins, Jr.

Herewith are copies of letters of notification to these newly-elected Fellows which are self-explanatory.

The Department of Public Information has asked me to inform you that a national announcement of all new Fellows will be issued for release Saturday PM - Sunday AM, February 27 and 28. Your Chapter is urged, however, to supplement this announcement with a release of its own. This release should describe the new Fellows' accomplishments and, if applicable, the prominent buildings they have designed in your area. Photos of their work and their portraits also should be made available to the press.

It is suggested that a member of your Chapter Public Relations Committee take the release personally to your local newspaper editors as well as to the radio and television stations. In doing so, however, it is imperative that the release date, Saturday PM - Sunday AM, February 27 and 28, be strictly observed. (This is necessary to avoid ill feeling on the part of the news media.)

Nominations Referred to 1961 Meeting of the Jury:

Arcangelo Cascieri  
Carney Goldberg  
Carl Koch  
Eleanor Raymond

With respect to the nomination of Carl Koch, the Jury advises that it needs more evidence in the submission.

Any further material that you wish to submit in connection with these

Mr. Leo A. Whelan

nominations should be received by The Jury of Fellows at The Octagon by January 1, 1961.

Nominations Before the Jury at Three Meetings Without Favorable Action:

Maurice Feather  
Stanley B. Parker

We regret to inform you that these members have not been honored with Fellowships by The Jury of Fellows. The exhibits submitted in support of their nominations are being returned to you under separate cover.

The exhibits of the newly-elected Fellows will be returned directly to them.

Sincerely yours,

Mr. Wm. Bradford Sprout, Jr., Secretary  
Massachusetts State Association of Architects, Inc., A.I.A.

Dear Mr. Sprout:

Your letter of August 29th arrived on September 6th and I note your comments with regard to preparation of nominations of members assigned to your Chapter for advancement to Fellowship.

I am familiar with the procedure about which you write as to waiving the requirement that all members of your Board be required to sign each nomination; but this is the first reference I recall to waiving the requirement that each of those who do sign should furnish a letter on the nominee's behalf.

In fact, I find in a letter written on April 8, 1959, and addressed to the President of your Association, and in accordance with the instructions of The Jury of Fellows at its meeting in 1959, the following request:

"The Jury has noted that no supporting letters were received from the signers and sponsors of the nominations of Messrs. Goldberg and Stubbins, and of Mrs. Raymond; \* \* The Jury would appreciate attention to these matters and wishes to receive this supporting material by January 1, 1960, for consideration at the meeting in February."

I have made a check of the folders containing the nominations of Massachusetts Association members for Fellowship and find the following which may be of interest to you and the Committee charged with the preparation of nominations and supporting data:

Cascieri, Aronangelo - With the assistance of Mr. Chandler we now have executed questionnaires from all the signers, as required. There are fifteen, and none of them indicates that he does not know the nominee. However, only eight of these signers has sent in supporting letters.

In addition, we have only four other letters on Mr. Cascieri's behalf.

Goldberg, Carney - At the time of the first consideration of this nomination there were no letters from proposers as indicated in the paragraph quoted above. Since then letters have been received from four of the signers (fifteen signers in all). All but one returned executed

September 8, 1960

questionnaires, and only two of them indicated they were not familiar with the nominee's accomplishments.

In addition, there are letters from ten members and non-members on Mr. Goldberg's behalf.

The 1961 consideration will be the third and last by the Jury.

Koch, Carl - The Jury of Fellows, at its meeting this year, instructed that a letter be sent to the President of your Association specifically requesting additional evidence supporting the claims for his outstanding achievements. So far, nothing has been received. This letter was sent to Mr. Whelan on February 18, 1960.

There are fifteen signers of Mr. Koch's nomination, eleven of whom returned executed questionnaires, and only one did advise that he does not know the nominee well enough to comment.

Supporting letters are received from nine of these signers.

Otherwise, we have one letter from a member of your Chapter, two letters from members located in other chapters, and two letters from non-members.

Raymond, Eleanor - Filed in 1958 and considered for the first time at the 1959 meeting of the Jury, at which time the Jury directed a letter be sent to your Chapter President as quoted on the first page of this letter. In November, 1959, that request was repeated to Francis B. Sellow, as Secretary for your Chapter's Honors and Awards Committee.

There are fifteen signers of Miss Raymond's nomination, only two of whom have indicated on questionnaires returned that they did not know her well enough to comment.

Subsequent to the request for letters from the supporters above mentioned, six of the proposers sent in letters.

Otherwise, one letter has been received from one other member of the Chapter; ten letters have been received from persons who are not members of The Institute.

The 1961 consideration will be the third and last of this nomination by The Jury of Fellows.

I am placing your letter of August 29th on the agenda for the consideration of The Jury of Fellows at its next meeting in 1961, with the request for any further instructions which they may wish to give me in view of your statements.

Sincerely yours,

(Miss) Florence H. Gervais  
Secretary to The Jury of Fellows

FILE COPY - PLEASE RETURN

Dear Mr. Goldberg:

The American Institute of Architects desires to confer upon you the honor of Fellowship and membership in the College of Fellows in accord with the action of The Jury of Fellows at its recent meeting, for your notable contribution in Design.

The purpose of this letter is to request your presence at the 1961 Convention of The Institute, to be held in Philadelphia, Pennsylvania, starting April 24, 1961.

At a special ceremony to be held on the afternoon of Wednesday, April 26, at the Philadelphia Museum of Art, those who have been elected to Fellowship will receive their certificates and medals. Presentation will be with appropriate ceremony and it is highly important that each of the newly-elected Fellows be present.

The Officers of The Institute and The Jury of Fellows join in the request that you come to receive this honor in person. Please send your response to The Octagon at an early date.

The Public Information Department will issue press releases announcing the names and home towns of the newly-elected Fellows. The releases will suggest to editors that they get in touch with local chapters for pictures and biographical information and the new Fellows' architectural accomplishments.

Chapters will be advised of these releases well in advance of their issuance.

Will you please send a 5 x 7 black-and-white, glossy photograph, suitable for newspaper use, together with a short biographical sketch, to the Department of Public Information at Institute headquarters?

Yours sincerely,

J. Roy Carroll, Jr., F.A.I.A.

At the recent meeting of The Jury of Fellows you were elected to Fellowship in The Institute and membership in The College of Fellows of the A.I.A. for achievement in Design.

At the Convention there will be an exhibition of the work of the newly-elected Fellows premiated for Design, and to that end the Jury has had to make a comprehensive, yet as small a selection of your exhibit as possible for this occasion.

2. Tifereth Israel - Malden (entrance front & snow)  
- could you get a better photograph?
