Dear Mr. Harrington:-

Permit me to acknowledge with gratification, and on behalf of the Secretary, your application for membership in The American Institute of Architects, received by reference from Mr. Simons, Secretary of the West Texas Chapter.

The application is complete in every respect except for the customary routine exhibits, and the endorsement of a third Institute member, provided for at the bottom of the blank.

The exhibits should consist of working drawings and photographs of two executed buildings which need not be specially prepared, may be taken from your office files, and will be carefully returned later.

For your information, all applications for Institute membership are acted upon at the quarterly meetings of the Board of Directors and Executive Committee. The next meeting is that of the Executive Committee, scheduled for late March, and your application will come up at that time. However, it takes from thirty to sixty days to complete all formalities, but we shall be pleased to advise you concerning the action taken as promptly as possible.

Acknowledgment is also made of your check of \$25.00 covering the Initiation Fee.

We are returning herewith your application for the signature of a third Institute member, as mentioned above.

Trusting you will complete these details at an early date, I am,

Sincerely yours,

Executive Secretary.

Dear Mr. Harrington:-

Permit me to acknowledge your letter of July 3, and to say that the exhibits sent in connection with your application have been safely received.

At this time we wish to call your attention to an amendment to the By-laws providing that the annual dues of \$25.00 shall be paid in advance and that no action can be taken on an application until the dues have been paid.

The dues paid in advance will of course apply to the ensuing twelve months following the date of election. We therefore hope that it will be convenient for you to send check for \$25.00 in payment of dues, in order that your application may be acted upon at the next meeting of the Institute Executive Committee, scheduled for early October.

Cordially yours,

Executive Secretary.

An engrossed Certificate of Membership in The American Institute of Architects is enclosed herewith; and also a membership card, which should be further endorsed by the Secretary of your Chapter.

May I take this opportunity to say that the office of the Secretary at The Octagon is for the service of every Institute Member. Should the occasion arise, we shall be glad to give you our best cooperation.

December 31, 1933.

My dear Mr. Harrington:

We send the enclosed bill for Institute dues for the year 1934, with an explanatory letter from the President, so that you can see just what is proposed by the Board of Directors with respect to a reduction in dues for the year 1934, and readjustment of outstanding dues for the three-year period, 1931-1933.

As you will note, the proposed readjustment with respect to outstanding dues applies back as far as 1931. It does not apply to unpaid dues for the year 1930.

On the record at The Octagon it appears that your indebtedness for 1930 is \$18.75, and in addition \$75 for the years 1931, 1932, and 1933.

The Officers of the Institute do not wish to lose your affiliation and your moral support at this critical stage of affairs.

They, therefore, express the hope that you will send a check covering the outstanding account for 1930 and thereby be in position to take advantage of the Board's proposal. Such action would reduce the charge against you to \$15 for the year 1934, plus \$5 a year until \$25 has been paid for the period 1931-1933.

The above is on the presumption that the Convention will approve the proposals outlined.

If we do not hear from you by January 30th, we will presume that you wish your Institute membership terminated for non-payment of dues, effective December 31, 1933. We sincerely hope that such will not prove to be the case.

Sincerely yours,

Mr. Lou Harrington, A.I.A.,

Dear Mr. Harrington:

This is the first opportunity to write you with regard to the continuation of your Institute and Chapter membership.

You will recall previous correspondence, with reference to your old account for Institute dues. That account, exclusive of dues for 1930, under the new plan for adjusting dues for 1931-1933, and under the reduction of 1934 dues to \$15.00, is as follows:

| | |
|----------------|----------------|
| 1931-1933..... | \$25.00 |
| 1934..... | \$15.00 |
| | <u>\$40.00</u> |

Full information is shown on the marked reprint enclosed herewith.

The Treasurer states that he will recommend to the Board that any outstanding dues for 1930, or prior, be entirely remitted.

Your membership in the Institute and the West Texas Chapter can be maintained by a whole or part payment as set out in the reprint.

We hope that it will be possible for you to send a check on account, or in full, and thereby continue your support of the Institute and the profession during this critical period.

We ask that you respond definitely in this matter not later than November 15th, in order that some final action may be taken by the Board at its meeting shortly after that date.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.

Dear Mr. Harrington:

At the March, 1935, meeting of the Executive Committee, your membership in the Institute and the West Texas Chapter was discontinued for the non-payment of Institute dues, effective December 31, 1934.

The Committee expressed regret at the necessity for taking such action, and it is hoped that when conditions in the architectural profession improve, you will apply for reinstatement to membership.

The Secretary of the Chapter has been advised accordingly.

By direction of the Secretary.

Sincerely yours,

Executive Secretary.
