

JOHN A. HAMILTON, F. A. I. A.  
REGISTERED ARCHITECT

126 LIBERTY STREET

NEW YORK CITY

March 6th. 1936

Mr. Edward C. Kemper, Executive Secretary,  
My dear Mr. Kemper:-

Your courtesy to hand.

I have read Article 10 Sec. 1 and 2.

I hereby apply for exemption of dues as I have by circumstances been retired from business after my best efforts to stay in active work.

I was born in New York City Feb. 28 1859 and so am entering on my 78th. year.

My health has failed considerably last fall and this winter, and very little moderate excitement or hill or stair climbing produces a weakness that carries a serious note for attention.

I am therefor compelled to this action having done all that is possible to stay in active if passable attention to work, and this is also missing which shows that circumstances are all against me.

With deep regret I accept the closing of my professional action and herewith acknowledge all the courtesies during the years from the Board and officers.

I remain awaiting your further courtesy,  
Yours Sincerely,

*John A. Hamilton*
