Dear Mr. Heritage:

Mr. Leslie N. Boney, Jr., President of the North Carolina Chapter, has requested us to advise you of your status in AIA.

Your corporate membership was terminated as of December 31, 1964, for non-payment of 1963 and 1964 regular and supplemental dues. Notice of termination was supplied to you and to the Chapter.

To reactivate your membership again, please forward to us a letter or statement indicating your desire to become a member together with a check for at least \$160.00. A breakdown of this amount is as follows: \$50 - 1963 Institute dues in arrears; \$50 - 1964 Institute dues in arrears; \$50 - one year's dues in advance subject to readmission; \$10 - readmission fee; and payment for 1963 and 1964 supplemental dues in arrears (1% of FICA tax paid in 1962 and 1963 multiplied by your percentage of participation in your firm). If you are not liable for supplemental dues for those years, we should receive written advice to that effect.

Betty: Please have an H315 form executed for Mr. Heritage and returned to this office, as required in all cases of admissions and readmissions. I believe that Mr. Boney's letter of March 25th will suffice as a "favorable recommendation". 2108 North Elm Street  
Greensboro, North Carolina

Dear Mr. Heritage:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application for readmission and welcomes you to corporate membership in The Institute again.

You are re-assigned to the North Carolina Chapter, effective May 5, 1965, and will remain assigned to this component organization of The AIA until your membership terminates; or unless you wish to have your assignment transferred elsewhere should the opportunity arise.

I sincerely hope that you will take an active and interested part in your Chapter activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to know that The Secretary's Office is at your service to the fullest extent of its powers.

By direction of The Secretary.

Sincerely yours,

William H. Scheick, F.A.I.A.
