Dear Sirs:

It was not my intent to have you list this Washington, D.C. address as my permanent address. When I visited The Octagon in January, I asked one of your representatives if duplicate announcements of local meetings and activities could be sent to this Washington address due to the fact that I will be here for, perhaps, a year, and might like to attend some of the affairs personally.

However, please do not change my permanent architectural mailing address from the original listing which is: 506 North Los Angeles Street, Anaheim, California.

Dear Mr. Hesse:

I have tried unsuccessfully to call you on the phone in response to your letter of February 18.

We believe the following arrangement will take care of the matter of your address, but if not, will you please advise us?

We shall list you at your Washington, D. C., business office, 1001 Connecticut Avenue, Washington 6, D. C., for one year, unless you notify us previously to the contrary. This will be the address we use for your mailing listing. We shall record you in the Membership Directory at 506 North Los Angeles Street, Anaheim, California.

In January of 1956 we shall contact your local office here to determine if you are still in town (unless you have previously notified us to the contrary) and will at that time arrange to have A.I.A. material sent to whatever address you suggest.

As you undoubtedly realize, we do not send out notices of local meetings. If you would like to have those, we suggest you get in touch with the local chapter, the Washington-Metropolitan Chapter, 1612 Eye Street, N. W.; telephone Sterling 3-2322. They have many interesting luncheon and evening meetings during the year which I am sure would be valuable to you if you can find the time to attend them.

Dear Sir - May I refer to your letter to me of Dec 15, 1961, in which you deeply regret having to pipe me out of AIA for non payment of your current chapter dues?

Also may I suggest that you look into the records of your chapter, for a change, and find copies of certain letters -

One - for instance, dated Nov 23 - 1960 - to me from Rita E. Miller, your Ex. Secy - stating my good standing, paid up dues, and request for transfer as granted from your Chapter to the Hawaii Chapter.

Another - letter from AIA-national dated Nov 28 1960 announcing request of transfer for me from So Calif Chapter to Hawaii Chapter

and a third - letter from the AIA national - a notice of transfer for me to the Hawaii Chapter - Dated Dec 21 1960 - citing the Hawaii Secy. by name, and

your Secy - Miss Bida Miller - & sending
a copy sent to the Exec Dir of the
Calif Council AIA.

Isn't this interesting, so far?
So all this year you have sent me
bills for dues and now are going to
give me the dirty stick - eh!

If you had time, you might ask
Whitby Thompson, or Al Martin, or any
other S.C. grad of their vintage, now in
AIA and find out that through the
years I kept up my So Calif membership.
I was working in the Far East on US
military protection facilities, and as
a matter of fact was able to attend
only one meeting in all the years at
your chapter, altho keeping the dues
paid - as you so advise.

So now I am able to settle in Hawaii
and have been a member of the chapter
here for a year.

With curiosity I await your next
step.

Dear Sirs: In one of last year AIA bulletins I read an article to the effect that the retirement age for AIA members from 65 years old to 63 years old was being considered at the 1971 annual convention. I do not know if it was adopted or not and I wish you could advise me on this. Also, in as much as I am now past 63, I would like to know how I proceed to apply for the retirement status, the forms etc etc. and surrounding qualifications required. I was for some years a member in Los Angeles and in more recent years am a member in Honolulu Hawaii.

On the retirement, I am curious as to what privileges may continue, i.e. - insurances, magazines, dues, fees, etc.

Your early reply will be greatly appreciated,

The retirement age for AIA members was reduced from 65 to 60 by the 1971 Convention.

Membership Emeritus status would enable you to remain in the AIA and your Chapter with full rights and privileges, while being relieved of further dues payments.

If you would please fill in the enclosed application form and return it to this office, we shall be glad to see that the matter receives the Secretary's prompt attention.

On behalf of The Board of Directors, I have the pleasure of informing you that you have been elected a Member Emeritus of The Institute.

The Board joins with me in expressing my great appreciation for your many years of support of the work and projects undertaken by The Institute towards creating better architecture and a better environment.

I hope that your interest in The Institute and your Chapter will continue, even though you now are relieved of all dues payments.

With best wishes.

Sincerely yours,

Preston M. Bolton, FAIA
