My dear Mr. North:

At the recent meeting of the Executive Committee of the Institute the following applicant for Institute membership was considered:

Mr. Harry F. Hudson.

In order that the record may be complete and in order that we may communicate satisfactorily with Mr. Hudson, please advise me of the approximate date of his affiliation with the Buffalo Chapter.

It is important to know if such affiliation took place before or after the last Institute Convention, December 6-8, 1916. Those who were affiliated with the Chapter before that date will not be required to pay the initiation fees.

Very truly yours,

Executive Secretary.

My dear Mr. Hudson:-

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective June 25th, 1917.

You will later receive the Proceedings of the Fiftieth Convention; and the Year Book for 1917, which in addition to the membership records, contains the official documents of the Institute relating to matters of professional practice.

The enclosed statement for dues should receive early attention, as the engrossed Certificate of Election is not sent until the dues for the first year have been paid, and election becomes void for non-payment within three months of this date.

May I take this opportunity to say that the office of the Secretary, at the Octagon, is for the service of every Institute member. Should the occasion arise, we will be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.
