Mr. Alfred Stone Sec. &c.

Providence R.I.

Dear Sir:

When I remitted to the
Treasurer my dues for last year, I
requested Mr. Treat to notify the
proper parties that I then tendered
~~the~~ ^{the} resignation of my Fellowship
from the Institute. And he replied
that he would do so. I have since
regarded myself as not a Fellow,
and have refrained from any par-
ticipation in the affairs of the Institute.
Your present enclosure seems to indicate
that no action has been taken. I there-
fore return the papers and renew the
notice that I regard myself as not ^{an}

a fellow of the Institute dating from
the close of last year. Since which
time I have not participated in
any way nor used the initials
of the Institute and have been pur-
suing my own course independently
of all laws rules & regulations of the
society (not necessarily in violation of them)

I should have preferred that
the committee should have acted
in manual way on my resignation,
and given me an honorable discharge
with due notice of same. But do not
know that there remains anything
further for me to do or say in the
premises.

Very Respectfully &c
J. D. Lypham
