Dear Mr. Merrill:

The Institute is pleased to learn from your letter of October 31st of your return to civil practice and your desire for reinstatement in The Institute.

To apply for reinstatement, a former corporate member of The Institute should address a letter to The Secretary of The Institute requesting reinstatement, stating that he is professionally engaged in the practice of architecture. The letter should be accompanied by his remittance covering \$20.00 for one year's dues in advance, plus \$5.00 for the admission fee.

Applicants for reinstatement must be clear of any indebtedness for dues to the chapter to which they were formerly assigned.

Upon receipt of such a letter, The Secretary's office will follow through the required procedure.

We sincerely hope you will apply for reinstatement and assure you that we will do everything at this end to expedite the procedure.

Gentlemen:

On November 30, 1954, I requested that my mailing address for A.I.A. communications be changed from 100 West Monroe Street, Chicago, to Post Office Box 1091, Colorado Springs, Colorado. That change of address did not constitute a request for change of Chapter affiliation, since I was at that time not registered in Colorado although my assignment from Skidmore, Owings and Merrill indicates that I will be here for some years.

My Colorado registration has now been obtained, and I feel eligible to apply for a transfer from Chicago to Colorado, subject of course to the by-laws and administration requirements of the Colorado Chapter. I would appreciate your initiating the necessary action in this connection.
