6. **OTHER REMARKS RE QUALIFICATIONS:** The experience of the firm has been wide, including not only residential, but a great variety of institutional work. We have had the opportunity of designing a number of projects which included the planning and grouping of many units. Typical of the latter are the Fountain Valley School of Colorado, the Sandia School in Albuquerque, and the replanning of the campus of the University of New Mexico, including the construction of new buildings costing \$1,200,000.00; the adaptation of temporary structures, costing \$2,800,000.00. The following list of work shows that our experience covers municipal buildings, courthouses, schools, libraries, museums, armories, hotels, hospitals, etc.
