Was assigned to the Chicago Regional Office on two seperate details of eight weeks each the past year to aid in the development of working drawings and in the preparation of specifications, and estimates of cost for new construction and remodeling, alteration and repair projects.

My workithreeent years has included those of monumental proportions: Post Offices, Federal Court Buildings, Hospitals, Laboratories, The New General Accounting Building. The New Medical Research Hospital, Bethesda, Md. . From March 1949 to September 1951 was assigned to the White House staff under Mr. Winslow, for the restoration of that most important Washington shrine.
