Dear Mr. Jackson:

Responding to your letter of March 21st, we regret to learn that you contemplate resignation.

Before a resignation can be acted upon it must come forward to the Secretary of the Institute through the Secretary of your Chapter, Mr. Eric Kebbon, 101 Park Avenue, New York, N. Y.

In order that you may not be charged with 1932 dues the resignation should be received at The Octagon in time to permit consideration by the Board of Directors at its meetings commencing April 22nd.

However, we hope very much that you will reconsider your decision to resign and will endeavor to continue your membership in the Institute and the New York Chapter.

In the present economic crisis, the Institute, as the national society of the architectural profession, and the local Chapter, as its embodiment in the community, greatly need the moral support of the leading members of the profession - as such support is evidenced by their interest and membership.

But in case you feel that the resignation must go through, we shall submit your letter to the Board of Directors, upon the receipt of a notice from the Chapter, as required by the By-laws.

Sincerely yours,

Executive Secretary.

My dear Mr. Kemper: -

In reply to your letter of March  
28<sup>th</sup>: -

I have reconsidered. Please  
disregard my letter of resignation  
of March 21<sup>st</sup>. I have just written  
to the Sec. of the N.Y. Chapter to the  
same effect and enclosing check  
for this year's dues. I also enclose  
check for the Institute dues, which  
you will please hand to the Treas.

It was purely financial stress  
which prompted my hasty decision, as  
I have been out of work for a long  
time - My address should be changed  
on the records to 61 W. Grand St.,  
Mt. Vernon, N.Y. <sup>noted</sup>

Hope this will straighten things  
out. - I'm sorry to have bothered you so.

With kindest regards I am

It is with much gratification that we have received your letter of April 11th, enclosing your check for your 1932 annual dues to the Institute, and advising that you have withdrawn your resignation and will continue your membership in the Institute and the New York Chapter.

As the support of all the leading members of the architectural profession is most important to the Institute and its Chapters in these trying times, your action is appreciated by the Officers and Directors.

Executive Secretary.

Dear Sirs:—

I am out of a job and have  
been so since early in the fall  
of 1931. I cannot continue  
membership and pay the dues in  
either the Institute or the  
N.Y. Chapter.

I therefore respectfully submit  
my resignation, as a Member  
of the American Institute of  
Architects, as of January 1, 1933.

Very truly

Dear Mr. Jackson:

This will acknowledge, with regret, your letter of January 20th, tendering your resignation as a member of the Institute, effective January 1, 1933.

As you know, severance of Institute membership also carries with it termination of Chapter membership. Neither the Institute nor the New York Chapter can afford to lose your affiliation and support.

The Officers and Directors of the Institute are keenly aware of the financial problems which confront every practicing architect.

At the last meeting of the Executive Committee of the Institute it was directed that resignations of members, submitted on account of the economic crisis, be not accepted at present. Therefore, the Institute asks that you continue your affiliation with the national body and with the New York Chapter - on the understanding that at the end of 1933, if conditions have not improved, your resignation will be accepted by the Institute, effective December 31, 1932 - if you so request.

May I add a personal word to this general statement of policy? We simply cannot afford to lose from the Institute men like yourself. Many of us believe that 1933 will show some improvement in the practice of architecture. We must stand together, and we must carry on.

Please accept this letter as confidential, and please be advised that we are continuing you on the records at The Octagon as an active member of the Institute and the New York Chapter - throughout the year 1933 - unless you specifically order otherwise.

Sincerely yours,

Mr. Jerome Paul Jackson,  
Sandy Hook,  
Connecticut.

Dear Mr. Jackson:

At the November meeting of the Executive Committee of the Institute, your resignation was reported, but was not acted upon.

The members of the Committee did not want to lose your support of the Institute and the New York Chapter at this critical time for the architectural profession.

In view of the recommendation of the Committee, to be made to the Convention, that the dues be reduced and that old accounts be readjusted, it is hoped that you can find it possible to continue your membership.

Herewith is copy of President Russell's letter of January 1st, which is self-explanatory.

If the new plan is approved, your indebtedness of \$25.00 for 1933 will be remitted; you will be entitled to a credit of \$5.00 a year on the books of the Institute for the next five years; and your net annual dues for 1934 will be \$10.00.

There will be a meeting of the Board in early May, in advance of the Convention. It is specially requested that you advise as to your wishes in this matter - that is, shall your resignation stand, or will you continue with the Institute and the Chapter under the conditions indicated above.

But we hope very much that you will follow the latter course.

Sincerely yours,

Mr. Jerome P. Jackson,  
Sandy Hook, Conn.

Mr. Edwin C. Kemper, Ex. Secy.,

Dear Mr. Kemper:—

Thank you for your letter of  
Jan. 17<sup>th</sup> in regard to my resignation  
of last year.

The Institute is very generous in its  
offer and you are very cordial in  
urging me to retain my membership.

However, every penny counts with  
me now and I cannot see any prospect  
for improvement in the near future.  
Such as I hate to do so, I think  
that I better stick to my long  
considered decision of last year.

So, my resignation of last year  
still stands.

With kindest regards to yourself  
and best wishes for the prosperity  
of the Institute, I am

Very sincerely

Dear Mr. Jackson:

We are indeed sorry to get your letter of January 23rd, advising that you must allow your resignation to stand, as submitted in January, 1933.

As you know, a resignation should come through the Secretary of your Chapter, Mr. Eric Kebbon, 522 Fifth Avenue, New York City. The Chapter's approval or recommendation is required before a resignation can be acted upon by the Board of Directors.

The next meeting of the Board will be held early in May, and if the Chapter's approval is received in time, your case will be acted upon then and you will be advised promptly thereafter of the action taken.

We hope that, in some future time, you will apply for reinstatement to membership.

Sincerely yours,

Executive Secretary.
