Dear Mr. Jones:-

It was with regret that the Treasurer had to report to the Officers and Directors of the Institute at their last meeting a large amount still in default covering payment of dues for the current year.

The Directors discussed the matter seriously as the money is needed to meet the balance of our obligations for the year and moreover it seemed to them not quite fair that members who have paid their dues are not only meeting their own obligations, but assisting to pay the cash expense necessary to supply the Journal, etc., to those members who have not paid their dues. The Directors passed the following resolution:

Resolved, that those members now delinquent for more than one year be given until February 1, 1925, to make payment in whole, or to reach some agreement with the Treasurer as to future payments. Otherwise the Institute and Chapter membership of each delinquent coming under this resolution shall be terminated on March 1, 1925, upon notice to him from the Secretary to that effect.

I am sending you this as an appeal to make a remittance to the Treasurer of \$40.00, including the dues for 1924, which as you know, were payable eleven months ago.

I trust that you will write me promptly and also frankly if for any reason you cannot pay all or any part of the amount at the present moment.

Hoping that you will do your part to help the Treasurer make a better report at the next meeting of the Board of Directors, I remain,

Sincerely yours,

Treasurer.

March 12, 1927

My dear Mr. Jones:

At the direction of the Secretary of the Institute, and with regret, I write to advise you that your membership in the American Institute of Architects, and the West Virginia Chapter, has been terminated, effective March 1, 1927, for non-payment of Institute dues.

You are indebted for \$65.00 - \$15.00 for 1925, and for all of 1926 and 1927.

If I might add a word of explanation, it would be to say that the Officers and Directors of the Institute are more than sorry that this action is necessary. They regret to lose your name and influence.

But the Institute is largely dependent upon the dues of its members for carrying on its work. It is not fair to those who pay their dues to carry, indefinitely, those who do not pay. Under the general resolution adopted at the December meeting of the Board, and about which we advised you, we are obliged to drop those owing for two years or more.

It is hoped that the future will bring about improved business conditions for you, and that you will consider renewing your professional society affiliations.

Sincerely yours,

Executive Secretary.
