Mr. Ilhan M. Arikoglu

Dear Mr. Arikoglu:

After I spoke to you over the phone regarding your interest to still become a Corporate member of the Chapter, the matter was brought up at the next Executive Committee meeting. The consensus of opinion was that they would be most pleased to accept your application now that you state you are really in business for yourself. Their only request was that you state, in a short letter, what you are doing now; your connection with Whiting-Turner Co.; and name a few projects you have designed under your own name.

To help guide you, I have enclosed the "new" Standards of Professional Practice (see Section 3) -- you will note that The Institute is much more lenient than in the past. Also, I am sending along a new application for you to fill out -- particularly, change Item 12. I have kept your "USA Declaration of Intent" and will attach it to your new application when you send it in. Please don't forget to send along a check, made payable to The American Institute of Architects, in the amount of \$20.00 which will cover your first year's dues.

Any further questions, please call me.

Sincerely yours,

Marjori A. Clark  
Executive Secretary

Mr. Ilhan Muzaffer Arikoglu, AIA

Baltimore, Maryland 21204

Dear Mr. Arikoglu:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

In the near future, you will receive some literature regarding The Institute, which we hope you will find interesting, and a lapel emblem. In approximately one month you will receive a certificate of membership, either directly from The Institute or through formal presentation by the Chapter.

You are assigned to the Baltimore Chapter and the Maryland Council of Architects of the AIA, effective December 19, 1968.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of The Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of The Institute officials or staff members any time the need arises.

Sincerely yours,

George E. Kassabaum, FAIA
