Dear Sir, —

On Oct. 21-1945 I arrived in Calif. to make my permanent home & shall enter practice in this state. I shall probably locate in So. Calif. but for a few weeks am uncertain whether it will be here or around San Francisco. I shall eventually want to be assigned to the A.I.A. chapter in one of these districts & in a short time shall be able to inform you of which one it will be. Should I notify the N.Y. Chapter to which I belong or you direct in Wash. D.C. until Jan. 1st. 1946 the above address will be my residence.

Dear Mr. Kemper, —

Thank you for your letter of Nov. 19<sup>th</sup>. Since my last letter we have found in this incredible housing shortage a very comfortable furnished house with a small but quite nice garden all which we have taken for a year's lease.

That settles my location and I shall be happy if you will recommend my admission to the So. Calif. Chapter in L. Angeles.

This is my wife & my own 1st visit to Calif. and the weather has been most hospitable in its behavior. I had expected the rainy season to have started by now but the natives say after Jan 1<sup>st</sup>.

I understand you are taking care of the N. Y. Chapter end but as a courtesy I shall also write to Miss Waters. V. T. Donald Campbell.

Dear Mr. Campbell:

I have your interesting letter of August 5th. The question you have asked is not a matter of ethics insofar as the A.I.A. is concerned. To the best of my knowledge, planning is not yet a recognized profession. I suppose anyone who wishes to do so may call himself a planner. Whether or not he would be admitted to membership in the American Institute of Planners is a question for that organization to decide. You might write to Robert C. Dutton, Jr., Executive Director of the American Institute of Planners, Suite 410, 2400 Sixteenth Street, N.W., Washington 9, D.C. However, I am fairly sure that regardless of whether or not the A.I.P. would admit you to membership there is nothing to prevent you from calling yourself a "planning consultant" if you so desire.

Wishing you all success, I am

Cordially yours,

Dear Pat:

Re: Donald Campbell, A.I.A.

This venerable leprechaun is in good standing in the Chapter and in more ways than merely his dues payment.

The Chapter heartily endorses his election to the status of Member Emeritus.

He is our local tiger on all matters of community affairs, planning commission, etc., and woe betide the mayor or lesser officials if they get out of line! He writes letters to editors, mayors, governors, and maybe even The President. How right you were in your statement of "72 years young".

On behalf of the Officers and Board of Directors, I wish to take this opportunity to express my great appreciation for your support, throughout your many years of membership, of the work and projects undertaken by The Institute and its components for the cause of better architecture.

We hope that your interest in The Institute and Chapter will continue, even though you have now been relieved of all dues payments.

Dear Mr. Thorson,

Thank you for the promptness with which my application for emeritus status was processed. The Institute may call on me at any time, and if within my power, I shall be proud to help when and where I can. The La Jolla Town Council (non governmental) and liason with the San Diego Planning and City Council will keep me plenty busy. I appreciate your kind thoughts and this is not goodby. With kindest regards.

D. Campbell.
