All details connected with your application for Institute membership have been completed, except final vote of the Board of Directors.

The application was just too late for the May meeting of the Board; therefore, it must wait for the late November or early December meeting.

Please accept this word of explanation as to the cause of delay.

We will advise you promptly in early December.

Dear Mr. Carroll:

Before your election to membership in the Institute, and under date of May 31st, we wrote to you with regard to the payment of \$50.00 which accompanied your application.

As stated in that letter, by action of the Convention in 1934 the initiation fee was reduced to \$5.00 and the annual dues to \$15.00. Therefore, all that was necessary to be paid at the time of applying for membership was a total of \$20.00.

It was suggested that you might wish to apply the balance remaining to your credit, in the amount of \$30.00, to your Institute dues in advance. Such action would be very helpful to the Institute during these years in its work on behalf of the profession. On the other hand, if you wish we will send you a check in refund.

Please advise as to your wishes in the matter.

Sincerely yours,

Executive Secretary.

Dear Mr. Carroll:

Responding to your inquiry of December 8th:

We have not overlooked your pending request for transfer to the St. Louis Chapter.

As we advised, the approval of both chapters concerned must be secured before the transfer can be completed. The advice of the St. Louis Chapter to the effect that your transfer thereto is acceptable, has been received, and we now need advice from the Kansas City Chapter that you are in good standing therein.

We wrote a follow-up letter to the Kansas City Chapter on December 6th, just prior to the receipt of your inquiry, and hope to have a reply soon.

In the meantime, why not contact the Secretary of the St. Louis Chapter with regard to attending meetings? We feel sure they would be glad to have you. Mr. William A. Grolock is the Secretary, at 1696 Arcade Building, St. Louis 1.

Dear Sir:

I am going to Europe for a two-month trip in May, and will spend most of the time in Rome, Paris, London and Dublin.

Could you give me letters to the various architectural groups of a similar character to the A.I.A. in these large cities.

While the trip is primarily for pleasure, I should also like to see some of the architectural offices over there, and perhaps meet some of the important architects.

If the Institute has such information, and it is available, I should be pleased to receive it.

The dues of Maurice Carroll to the Saint Louis Chapter are paid up through December 31, 1965. He is in arrears for 1966 in the amount of \$25.00 which is half-rate for out of town members.

We had written him about this matter, but had not heard from him, as he had originally planned to practice in Illinois.
