

HAWAII CHAPTER
AMERICAN INSTITUTE OF ARCHITECTS
HONOLULU
MAY 5,
1928

Mr. Frank C. Baldwin, Secretary,
American Institute of Architects,
Convention Headquarters, May 16, 17 & 18,
Hotel Chase,
ST LOUIS, Mo.

Dear Mr. Baldwin:-

The Hawaii Chapter feels a particular Aloha for the present Secretary of the American Institute of Architects and, according to a vote of its executive committee, has instructed me to send to you the greetings and good wishes of this, your youthful Pacific offspring.

The Hawaii Chapter entertains this feeling of Aloha for two reasons. In the first place, this Chapter had its birth during your administration and therefore regards you somewhat in the light of its paternal godparent. In the second place we feel a closer kinship because of an old friendship which we understand exists between our former Secretary, William C. Furer, and yourself.

We are sending Mr. Herbert Cohen, our present Secretary, as delegate to the convention and we feel sure that he will bring back to us much that will inspire and help us in our work. Being somewhat isolated from mainland chapters, these direct contacts through a delegate of our own with the convention will mean more to us than could possibly be the case with any of the older mainland chapters. We are looking forward with pleasurable anticipation to Mr. Cohen's homecoming and to his report on the Sixty-first Convention.

Again, our warmest greetings, our Aloha and best wishes.

Very truly yours,

HAWAII CHAPTER
AMERICAN INSTITUTE OF ARCHITECTS,

By R. A. Fishbourne

My dear Furer:

Pressure of Convention business and the avalanche of work that followed thereupon has prevented an earlier acknowledgment of the very cordial greetings contained in your letter to me, and also in the letter of Mr. R. A. Fishbourne, President of the Hawaii Chapter.

I am preparing to leave Washington within the next three days, to be absent most of the summer, and I fear that I shall not have an opportunity to write in person to Mr. Fishbourne. I am, therefore, going to ask if you will convey to him a personal expression of my appreciation of his cordiality.

I was very glad indeed to meet the delegate of the Hawaii Chapter, Mr. Herbert Cohen, and I had several pleasant chats with him.

The net effect of your letter and my meeting with Mr. Cohen is that I have already determined that some time during the coming winter I shall pay a visit to Honolulu, accompanied, of course, by Mrs. Baldwin. I anticipate that on that occasion I shall greatly enjoy a reunion with you and shall profit much by an opportunity to meet the members of the Hawaii Chapter.

As the foregoing plan is not official (although firmly fixed in my mind) I would ask that you make no public announcement of my intention, at least for the time being. I have very definite reasons for thinking this wise.

With warmest personal regards, and entertaining the hope that I may soon learn to use the expression Aloha in all its varying and comprehensive meanings, I remain,

Faithfully yours,

Mr. Wm. C. Furer,

Honolulu, T. H.
