Dear Mr. MacLaurin:

The Board of Directors of the American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in the Institute.

In the near future, some literature concerning the Institute will be mailed to you together with a lapel emblem. In approximately two months you will receive a certificate of membership, either directly from the Institute or through formal presentation by your Chapter.

You are assigned to the Washington Metropolitan Chapter of AIA, effective November 1, 1966.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of the Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of the Institute officials or staff members any time the need arises.

Sincerely yours,

Charles M. Nes, Jr., FAIA
President

Gentlemen:

I wish to resign from membership in the A.I.A. I have valued my membership in the A.I.A. and felt honored to be a member. However I have found that my job with the D.C. Government and my own personal affairs have left time for very little participation in Institute activities. Furthermore, I expect to retire within a few years.

If there are any other actions necessary, or any payments due in view of the portion of this year now past, please advise.

Sincerely yours,

W. A. MacLaurin
