Dear Mr. Magerfleisch:

The Board of Directors of the American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in the Institute.

I sincerely hope that you will take an active and interested part in your Chapter's activities. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of the Institute officials or staff members any time the need arises.

Gentlemen:

Prior to my present employment as Chief Architect for Cole Associates Inc., Engineers and Architects, South Bend, Indiana, I was employed by Marvin E. Knedler and Associates, Inc., Denver, Colorado, for a period of three (3) years. From 1958 through 1973, I had my own firm in Fort Collins, Colorado. During the latter part of that period I was a Corporate Member in the Institute and a Member of the Central Chapter of the Colorado Society.

I wish to renew my Membership through the Northern Indiana Chapter of the Indiana Society; I understand that the amount required for renewal is determined by the Institute. I am, therefore, requesting that you check my records and let me know as soon as possible the fee required so that I can complete my application. I am enclosing a copy of my original Membership Certificate.

Very truly yours,

Ms. Maureen Marx, Director

 The American Institute of Architects  
 1735 New York Avenue, N.W.  
 Washington, D. C. 20006

Dear Ms. Marx:

I am submitting an application for reinstatement as a corporate member. Your response to an inquiry from me in June indicated that I owed \$96 for payment of 1974 dues in arrears. I was surprised by this information and perhaps a recap of my circumstances during 1974 will explain why as well as the delay in proceeding with the application submission.

During the latter part of 1973 I decided to give up the struggles of a one-man operation and made plans to close my office. This was accomplished in January of 1974 and in February reported for employment with an architectural firm in Denver. I had also decided to drop my AIA membership and therefore, ceased the practice of using the AIA designation on all correspondence and personal identification. I did not consider myself as a member and did not take advantage of any member benefits subsequent to December, 1973.

Since I did not enjoy any of these benefits during any part of 1974, and I was not aware at the time of any requirement to formally inform the Institute of my intentions, I hope you will reconsider the "Dues in Arrears".

In the meantime I am proceeding with the submission and am enclosing a check for \$70. I hope the \$96 assessment of back dues is voided and I will not be penalized for wanting to rejoin the Institute. Evidently the Colorado Central Chapter does not feel that I owe them any past dues since I have not heard from them.

Sincerely,

*Virgil Magerfleisch*
