Mr. Charles Wesley Magee, A.I.A.
1850 North Whitley Avenue

Dear Mr. Magee:

The Board of Directors of the American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in the Institute.

In the near future, some literature concerning the Institute will be mailed to you together with a lapel emblem. In approximately two months you will receive a certificate of membership, either directly from the Institute or through formal presentation by your Chapter.

You are assigned to the Southern California Chapter and the California Council, AIA, effective August 15, 1966.

I sincerely hope that you will take an active and interested part in your Chapter's activities. The Chapter is the cornerstone of the Institute's strength where the policies which advance our profession are developed. Members who are active in Chapter affairs gain the most from AIA as professional men and provide the leadership which AIA needs to meet the challenges and opportunities which the future holds for architecture.

I want you to feel free to call on any of the Institute officials or staff members any time the need arises.

Sincerely yours,

Charles M. Nes, Jr., FAIA
President
