Dear Mr. Bolton:

Acting in the spirit of AIA Bylaws, we are submitting names of members of this Association who are in arrears in dues for both 1969 and 1970.

Each of these members has been notified by letter allowing him 30 days to make payment of these dues. Pursuant to decision of our Board, we request that they be terminated. This is the first instance of such action by this Association. Prior to 1969, dues were collected through Components -- then we never knew who owed dues. Since 1969, we have collected dues individually and are now able to identify those who are delinquent and should be terminated.

Please advise if this is not the correct procedure.

Sincerely,

H. Dickson McKenna

Dear Mr. Matern:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and state organization where such exists, and pay dues and assessments levied by the chapter and state.

When local dues remain unpaid, the component may request The Institute to terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support the components in this procedure but not without making every effort to bring about the restoration of the good standing of the corporate member involved.

The New York State Association of Architects has requested that your corporate membership be terminated for nonpayment of 1969 and 1970 State dues.

The purpose of this letter is to suggest that you make payment of all outstanding dues, and thereby preserve your membership.

Your response will be appreciated prior to June 18, 1971, for we must act on the recommendation to terminate your membership unless it is withdrawn by that date.

Please send your check to Mr. H. Dickson McKenna, Executive Director, New York State Association of Architects, Inc., 441 Lexington Avenue, New York, New York 10017.

If there are any questions, don't hesitate to let us know.

Sincerely yours,
