Dear Professor Morgan:

At the direction of The President, we send, herewith, two "To Whom It May Concern" letters, one having a seal with blue ribbon and the other without.

There is no established Institute precedent with regard to color of ribbon and we had various samples made up for The President's choice which included orange, maroon, and some other colored ribbons.

If the blue does not happen to strike your fancy we are prepared to send another color!

Herewith is copy of the letter which went to Sir Ian MacAlister by Yankee Clipper Air Mail, and we also enclose one of the routine cards of introduction by The Secretary - which you may find useful.

With best wishes for a fine trip and a safe return.

Sincerely yours,

Executive Secretary.

I am enclosing herewith the Fellowship application forms of Messrs. Stout and Morgan. While I am a few days over the date, this was due to the time taken in collecting all the signatures; and I hope they will be on time to receive consideration this year.

I am not sure that Mr. Morgan has sent his exhibits or not. If he has not, will you kindly drop him a line asking him to do so.

December 29, 1941

Dear Clem:

Your letter of December 24th, with nominations for fellowship on behalf of Messrs. Howard A. Stout and Sherley W. Morgan, was received on the 27th.

The nomination of Mr. Stout was originally received at The Octagon on September 27th and, of course, was filed in time to permit consideration at the 1942 meeting of The Jury of Fellows; however, as the closing date for filing nominations for submission to that meeting was set at December 15, the nomination of Mr. Morgan is too late for that agenda. As you know, each nomination must remain on file with the Jury for at least six months before consideration may be given to it.

Mr. Stout's nomination is now in good order.

Mr. Morgan's nomination also appears to be in proper form. Exhibits of Mr. Morgan's work, however, have not been filed at The Octagon, and while we should be glad to assist you in requesting Mr. Morgan to send them, as you request, we regret that we cannot do so, as the work of preparation of nominations and submitting data must be left entirely in the hands of those responsible for making the nominations. Consequently, we hope you or your chapter executive committee will follow through on this to complete the nomination as filed.

With best wishes for the New Year,

Sincerely yours,

Dear Mr. Kemper:-

Mr. Clement W. Fairweather, Secretary of
the New Jersey Chapter, has informed me under date of
January 9th that he has forwarded to you the document
in support of my advancement to Fellowship in the
American Institute of Architects, on the nomination
of the New Jersey Chapter. He asked me to send you
the exhibit of my work which is required to accompany
the application.

In the considerable time that has elapsed
since I first furnished Mr. Fairweather with a list of
the buildings illustrative of my work, which he included
in the document, the photographic material has been used
for other purposes. It will therefore take me a few days
to get it together again, and I would like to modify the
list somewhat.

Can you tell me how soon you need my exhibit,
and whether there is any objection to making it slightly
different than was submitted in the nomination?

Dear Professor Morgan:

Responding to yours of January 14th:

It will be sufficient to have the exhibits to which you refer at The Octagon before the date of the 1942 meeting of The Jury of Fellows. That date has not been set, as yet; but presumably, it will be held in June.

However, in order that the Jury may know in advance of its meeting just which nominations for fellowship are complete and ready for consideration it might be well to have exhibits on hand, here, by May 15 at the latest.

We do not think the Jury will require that the exhibits sent correspond identically with the list which you furnished to Mr. Fairweather. We believe exhibits along the general line indicated will meet the purposes of the Jury.

We have sent a copy of this letter to the Chairman of the Jury, Mr. Frederick H. Meyer of San Francisco, for his information.

Dear Mr. Kemper:-

In accordance with our previous correspondence, I am sending you by express prepaid an exhibit of my work to be submitted to the Jury of Fellows at its next meeting.

The package contains three mounts as follows:

1. Squibb Institute for Medical Research,
New Brunswick, New Jersey.
2. Westminster Choir College, Princeton, N.J.
3. Various other buildings (part of the exhibit submitted in connection with the Senior examination of the National Council of Architectural Registration Boards, passed in January 1940).

While this does not coincide exactly with the list of exhibits on my Fellowship recommendation, Mr. Fairweather, Secretary of the New Jersey Chapter of the A. I. A., saw the mounts and felt that they would be sufficient.

Dear Mr. Poggi:

Customarily certificates of election to Fellowship in The Institute are presented with ceremony at an annual convention.

As no convention was held in 1944 all certificates were held for presentation in 1945.

Because of a recent governmental ruling, the 1945 convention will be a limited one. The annual dinner at which the ceremony of presenting Fellowship certificates usually occurs must be omitted.

Therefore, The Executive Committee is requesting the chapters of The Institute to receive and present the Fellowship certificates.

The recipients of the honor have been notified by The Institute, their citations have been published in the Journal, and the delivery of the certificates remains to be made.

In view of these conditions The Executive Committee of The Institute requests the President of each chapter to arrange for a presentation, at some appropriate meeting of the chapter - and with the suggestion that the Regional Director be invited to participate if that is feasible.

We send herewith the Fellowship certificates and citations by The Jury of Fellows, signed by The Secretary of The Institute for each of the followings:

Sherley Warner Morgan

Howard A. Stout

March 26, 1945

If you will receive these documents as President of the Chapter and bring about their delivery along the lines indicated above, The Institute will indeed appreciate your courtesy and help.

By direction of The Secretary,

Sincerely yours,

Executive Secretary
