Dear Mr. Pearce:

It is most gratifying to have your letter of September 9th, forwarding applications for membership in The Institute and the Northeastern Pennsylvania Chapter from from nine architects in your district.

Be assured that we shall do all we can to expedite consideration.

Two of the applications, however - those of Messrs. Harold T. Rinker and Samuel Z. Moskowitz - are signed by only one A.I.A. member as proposer. As each application must be signed by two proposers, we are returning these applications herewith - rather than to the applicants - with the thought that you might be able to secure the signatures of two members more conveniently.

Also returned are two checks which accompanied the applications of Messrs. Horace G. Cook and Michael J. Bochnik which are made payable to you. Please endorse these checks and return them to The Octagon for deposit by The Institute.

With these exceptions the applications are in good order and are being put forward.

Sincerely yours,

Executive Secretary

Dear Sam:

Your letter is duly posted in the PIA bulletin board.

Those that had the chance to meet you and your charming wife had the impression that you are more of an oldtimer in the Philippines. Although it was your first visit and a short one too, you have impressed us more than any foreign diplomat. We would like to meet more of you, especially members of the A.I.A.

Well Sam, I was notified by Mr. Edward L. Wilson, A.I.A. Secretary of my election as an Honorary Fellow of the Institute which will be conferred during your convention in Cleveland, Ohio, next month. I am deeply honored and wish I could go and receive it in person but, unfortunately, I am catching up with my schedules which was hampered by our last Silver Jubilee celebration. However I have delegated Ernest Kump, A.I.A. of Menlo Park, California, to receive it for me. I went with him during my stay with my American friend, an oldtimer from the Philippines who has retired in Menlo Park, California.

I have sent in a separate mail the PIA Silver Jubilee brochure together with your pictures which I took during your last visit.

I would like to request you to send me a picture of the ceremony of presentation at the luncheon of the College of Fellows at Chagrin Valley Country Club if you are attending.

With my kindest regards and best wishes to you and yours.

Most sincerely yours,

/s/ F.B.F.

Dear Mr. Moskowitz:

The American Institute of Architects desires to confer upon you the honor of Fellowship and membership in the College of Fellows in accord with the action of The Jury of Fellows at its recent meeting, for your notable contribution in Service to The Institute.

The purpose of this letter is to request your presence at the 1961 Convention of The Institute, to be held in Philadelphia, Pennsylvania, starting April 24, 1961.

At a special ceremony to be held on the afternoon of Wednesday, April 26, at the Philadelphia Museum of Art, those who have been elected to Fellowship will receive their certificates and medals. Presentation will be with appropriate ceremony and it is highly important that each of the newly-elected Fellows be present.

The Officers of The Institute and The Jury of Fellows join in the request that you come to receive this honor in person. Please send your response to The Octagon at an early date.

The Public Information Department will issue press releases announcing the names and home towns of the newly-elected Fellows. The releases will suggest to editors that they get in touch with local chapters for pictures and biographical information and the new Fellows' architectural accomplishments.

Chapters will be advised of these releases well in advance of their issuance.

Will you please send a 5 x 7 black-and-white, glossy photograph, suitable for newspaper use, together with a short biographical sketch, to the Department of Public Information at Institute headquarters?

Dear Mr. Moskowitz:

As Mr. Scheick is presently occupied with meetings I am taking the liberty of acknowledging your letter of March 18th.

Enclosed are copies of letters which were sent to architectural societies in Paris, Tel Aviv and Ankara informing each of them of your plans to visit abroad this Spring and soliciting their assistance to you in any way possible. We sincerely hope these letters will fulfill your desires. You will note they are dated March 14th.

The enclosed copies were held for the preparation of a letter of transmittal to you, and we are extremely sorry if this slight delay has caused you any anxiety. However, we have been very busy here at the Octagon with meetings of all kinds, plus the additional workload in preparation for the coming Convention in Miami.

Have a good trip.
