NOTICE OF SUSPENSION OF MEMBERSHIP

March 1, 1947

To: Mr. John Philip G. Keil
3401 Midvale Avenue
Philadelphia, Penna.

It is with much regret that we send to you, and to your chapter secretary, this notice of the suspension of your corporate membership in The Institute, and in the chapter of The Institute to which you are assigned—because of non-payment of Institute dues.

This suspension is effective as of December 31, 1946. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

The purpose of The Institute in permitting a membership to be suspended at the end of the year for default of dues rather than terminated forthwith is to enable the member in default to *restore his membership within the period of suspension, without applying therefor and without paying a readmission fee.* The period of grace terminates on December 31 of the year next following the date of suspension: in your case, on December 31 of the current year.

At any time during the period of suspension you may restore your membership to good standing by paying to The Institute your defaulted dues.

We sincerely hope that circumstances will make it convenient for you to meet your present obligation to The Institute and to restore your good standing before December 31, 1947.

The Institute values and needs your active support. The other Officers join with me in the hope that your membership may soon be restored to good standing.

Sincerely yours,

Alexander C. Robinson
Secretary

NOTICE OF IMPENDING TERMINATION OF MEMBERSHIP

To Mr. John Philip George Keil
3401 Midvale Avenue
Philadelphia, Penna.

As of January 1 of this year, it was necessary for The Secretary to inform you that, because of your default of dues at the close of the previous year, your membership in The Institute had been suspended.

At that time you were advised that you could restore your membership within the ensuing twelve months period by paying your indebtedness, and that if you failed to so restore your membership it would automatically terminate at the close of the year.

The Secretary hereby notifies you that to date you have not restored your membership, being still indebted to The Institute in the amount stated below, and that, if you do not pay at least the dues for 1946 on or before December 31 of this year (1947), your memberships in The Institute and in its chapters of which you are a member will terminate on that date.

The Board sincerely hopes you will not allow this to happen.

Dear Mr. Keil:

As you know, every corporate member of The Institute must be assigned to a local chapter, and pay dues to that chapter.

When local dues remain unpaid, the Chapter may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of The Institute to support the Chapter in this procedure, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Pennsylvania Society of Architects, a Chapter of the A.I.A., has requested that your membership in The Institute and the Chapter be terminated for non-payment of chapter dues.

The purpose of this letter is to suggest that you clear your account with the chapter, or request that the outstanding dues be waived for good and sufficient reasons.

Your response to the above will be greatly appreciated, not later than May 21, 1948, for we must proceed to act on the Chapter's recommendation that your membership be terminated thereafter.

Dear Mr. Keil:

As you know, every corporate member of The Institute must be assigned to a local chapter and state organization and pay dues to them as well as to The Institute.

When such dues remain unpaid, the chapter or state organization may request The Institute to suspend or terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support such requests, but not without making every effort to bring about the restoration of the good standing of the corporate member concerned.

The Philadelphia Chapter has requested that your membership in The Institute, the Chapter and the Pennsylvania State Society be terminated for non-payment of dues. The purpose of this letter is to express the hope that you can clear your accounts with the chapter and the state organization, or request that outstanding dues be waived for good and sufficient reasons.

Your response to the above will be greatly appreciated, not later than June 21, 1954, for we must proceed to act on the Chapter's recommendation to terminate your membership at the first meeting of The Board of Examiners held after that date, unless your good standing is restored in the interim.

Re: John P. Keil, former corporate member

Responding to your inquiry of January 30th I find that the corporate membership of Mr. Keil was terminated on July 1, 1954, at the request of the Chapter for non-payment of chapter dues.

At that time he had made no payment for his 1954 Institute dues; therefore, it would seem proper to hold him liable only for one-half the year's Institute dues - \$25.00.

As I am sure you are aware, a former member's application must be accompanied by payment to The Institute of all outstanding dues, plus a readmission fee of \$10.00, plus one year's dues in advance, \$50.00.

In Mr. Keil's case this will total \$85.00.
