Dear Miss Barberii:

It is with regret that we have received your letter dated May 18th tendering your resignation as a corporate member.

Unfortunately, we are unable to accept your resignation as a member in good standing since you are indebted for dues for the first-half of 1965.

Unless payment for the dues is made within sixty days from now, we will, however, proceed with the termination of your membership so that you may be assured that further dues will not accumulate.

The only difference between these actions is the matter of dues in arrears which would be required upon reapplication should you decide to reapply for admission.

We trust that this is satisfactory with you and with the Oklahoma Chapter.

Sincerely yours,

Maureen Marx, Manager

Mr. Smay: For the record, we shall appreciate receiving advice of Miss Barberii's standing. As indicated above, unless her Institute dues are paid within sixty days - or unless we receive instructions from the Chapter to the contrary, final action will be taken on her termination.

Dear Miss Marx:

Thanks for your information concerning the status of Nancy Barberii. We were aware that she had moved to another state but we had no notification of her intention to drop the A.I.A. I am happy that she used judgement in informing you rather than to let the bill run as so many people do.

Nancy had to go to a different geographical location because of her ill health so I would recommend that she be given every consideration. Her standing with the chapter is O.K.
