My dear Sir:-

Acting for the Secretary, I am pleased to advise you of your election to membership in the American Institute of Architects, effective May 7, 1921.

You have been assigned to the Southern California Chapter as an Institute member in good standing therein and the Secretary of the Chapter has been so notified.

The enclosed statement for dues should receive early attention, as the engrossed Certificate of Membership is not sent until dues for the first year have been paid. No charge has been made for the first quarter of the current year.

May I take this opportunity to say that the office of the Secretary at the Octagon is for the service of every Institute member. Should the occasion arise we shall be glad to give you our best cooperation.

Very truly yours,

Executive Secretary.

Mr. William Barber,
1123 Story Building,
Los Angeles, California.

My dear Mr. Barber:

The Institute is advised by Mr. Edgar H. Cline, Secretary of the Southern California Chapter, of your failure to meet an indebtedness to the Chapter.

It seems that the Chapter has rather earnestly sought your attention to this small indebtedness and without satisfaction.

Therefore, it calls the matter to the attention of the Institute, because you are an Institute member in good standing, and because the Institute must support its Chapters in matters of this kind.

Under the established procedure your name will come before the Executive Committee at its meeting in late February, and unless a letter comes in from the Secretary of the Southern California Chapter advising that a satisfactory arrangement has been made, the Executive Committee will be under the unhappy duty of terminating your Institute and Chapter membership.

Such procedure is a matter of fairness to those who have met their obligations, and it would meet with your approval if you were a Director of the Institute.

Please give this matter attention so that the Institute and Chapter may have your continued support and affiliation.

Sincerely yours,

Assistant Treasurer.

Mr. William Barber,

March 12, 1927

My dear Mr. Barber:

At the direction of the Secretary of the Institute, and with regret, I write to advise you that your membership in the American Institute of Architects, and the Southern California Chapter, has been terminated, effective March 1, 1927, for non-payment of Institute dues.

You are indebted for \$75.00, covering the years 1925, 1926, and 1927.

If I might add a word of explanation, it would be to say that the Officers and Directors of the Institute are more than sorry that this action is necessary. They regret to lose your name and influence.

But the Institute is largely dependent upon the dues of its members for carrying on its work. It is not fair to those who pay their dues to carry, indefinitely, those who do not pay. Under the general resolution adopted at the December meeting of the Board, and about which we advised you, we are obliged to drop those owing for two years or more.

It is hoped that the future will bring about improved business conditions for you, and that you will consider renewing your professional society affiliations.

Sincerely yours,

Executive Secretary.
