Dear Mr. Barnard:

We have just received a letter from the Secretary of the Boston Chapter of the A.I.A., with recommendation of the Executive Committee of that Chapter that your membership in the Institute and the Chapter be terminated for non-payment of Chapter dues.

We take the liberty of sending this personal letter to express the hope that you will square your account with the Chapter or make some settlement, and so advise the Institute.

Otherwise, the Institute Board under established procedure will probably direct that your Institute and Chapter membership be terminated on December 31st.

Please do not let that happen.

Sincerely yours,

Executive Secretary.

Dear Mr. Kemper;-

I wish to acknowledge the receipt of your letter of December first, and assure you that I most certainly wish to remain a member of the A.I.A.

Let me frankly state my case; I am what might be termed a small architect specializing in homes. Since the building of these stopped in 1929 my rather meagre savings account dwindled finally to nothing, with the low ebb when loan on my life insurance was necessary. Since that time business has been on the upgrade, but I am still in debt, and naturally feel that the responsibility of providing for my home is paramount.

Periodically I am hounded by my Chapter for money which I am not in a position to pay in full. I have taken care of my indebtedness to the A.I.A. and am now writing my own Chapter to see what is the minimum amount that will satisfy them.

Very truly yours

Dear Mr. Barnard:

Due to the recent meetings of the Board of Directors, this is the first opportunity to acknowledge your letter of December 3rd, regarding your indebtedness to the Boston Chapter for dues.

The Institute and the Chapter have both tried to be lenient with regard to dues payments by those members who have suffered most throughout the depression, and have tried not to work injustice upon those of its members who have been unable to make payments.

No action on your status as a member of the Institute and the Boston Chapter will be taken until the end of the year, and in the meantime you may have some response from the Chapter which will permit the preservation of your membership.

Sincerely yours,

I have just been in touch with the Boston Society of Architects and find that by the payment of \$27.50 I can become a member in good standing in that society. What would be the expense involved as far as the A.I.A. is concerned and when could I rejoin?

Dear Mr. Barnard:

Responding to your letter of March 11th:

At the time your membership in The Institute and the Boston Chapter was discontinued - December 31, 1935 - you were not indebted to The Institute for dues.

To apply for reinstatement to membership you should address a letter to The Secretary of The Institute requesting such reinstatement, setting forth the present status of your architectural practice or work and transmitting a check for \$25.00. \$5.00 of this amount is for the initiation fee; and \$20.00 for one year's Institute dues in advance.

Such application for reinstatement should be forwarded through the Secretary of the Boston Chapter, who will forward it, in turn, to The Octagon, together with the Chapter's recommendation thereon.

Any indebtedness to the Chapter must be settled, however, before favorable consideration could be given to your application.

We hope very much to hear from you again, and assure you of our best cooperation upon the receipt of your request for reinstatement.

I hereby make application for reinstatement in the Institute. I have been a practising architect for nearly twenty years and have been located at the above address for the past ten years.

My discontinuance of membership was for financial reasons only and due to the prolonged depression. With the return of a larger practise I am most anxious to rejoin.

Dear Mr. Kemper:

At a meeting of the Executive Committee  
on April 22, 1937 the applications of

Morris W. Maloney, 220 Dwight St., Springfield  
John Barnard, 755 Boylston St., Boston

were presented for reinstatement in the Institute  
and the Boston Chapter. It was voted unanimously  
to endorse favorably both applications for reinstatement  
and to recommend that the Institute waive the  
initiation fee. Both men have discharged their indebtedness  
to the Chapter, and we are enclosing  
Mr. Barnard's check for \$25.00 payable to the Institute.

Both these men were dropped during the  
depression for non-payment of dues although there  
has never been any question of their standing in the  
Chapter. The Executive Committee believes they are  
both eligible for reinstatement.

We have indicated to Mr. Maloney that  
if he has not already done so he is to forward his  
check discharging any indebtedness to the Institute.

Dear Mr. Burr:

This will acknowledge your letter of April 5th, advising of the action of the Executive Committee of the Chapter in approving the applications of Messrs. Morris W. Maloney and John Barnard for reinstatement to membership in The Institute and the Boston Chapter.

We also acknowledge Mr. Barnard's check for \$25.00 for the initiation fee and one year's dues in advance.

Mr. Maloney has not paid his indebtedness for past Institute dues, as yet.

It is noted that the Chapter recommends that the initiation fee be waived. Under the by-laws, all except \$5.00 of the initiation fee may be waived, and inasmuch as the initiation fee for 1937 is only \$5.00, it will be impossible to waive the payment of that amount.

We should appreciate it if you would forward the applications of these former members as filed with the Chapter to complete our record.

Mr. Barnard's application is ready for further action and will be submitted to The Board of Examiners at its next meeting.

Mr. Maloney's application must be held for payment of dues as stated above. As soon as this is received his application will be put forward, also.

MEMORANDUM - For The Board of Examiners:

The attached is an application for re-instatement by Mr. John Barnard, former Institute member of the Boston Chapter.

He is not indebted for Institute dues and the Executive Committee of the Chapter recommends his reinstatement.

The new by-laws, under Chapter II, Article 1, Section 9, require that an applicant for readmission to corporate membership must have the qualifications of an original applicant at the time of readmission \* \* \* and that the procedure for readmitting him shall be as required for admitting an original applicant.

This seems to imply that the former member should file a new application. However, a ruling has been received from The Secretary to be effective for three years, to the effect that a "satisfactory letter from the applicant" may be accepted as an application for re-instatement.

The request for reinstatement by Mr. Barnard is herewith submitted to The Board of Examiners for consideration and action.

Dear Mr. Kennedy:

This is the first opportunity to thank you for the well-prepared and helpful annual report of the Boston Chapter. In comparing it with Institute records here, the following differences are noted:

Your report indicates that the corporate memberships of John Barnard and John P. Hefferman were discontinued effective January 1, 1944.

The record here shows that these two memberships were suspended effective December 31, 1943.

Therefore, they are still corporate members assigned to the Boston Chapter and in a position to restore themselves to good standing if their Institute dues are paid before the current year expires.

Please let us know if you have anything on your record to show otherwise.

Sincerely yours,

Executive Secretary

Mr. Eugene F. Kennedy, Jr., Secretary  
Boston Chapter, A.I.A.

**NOTICE OF IMPENDING TERMINATION OF MEMBERSHIP**

To Mr. John Barnard, A.I.A.  
755 Boylston Street  
Boston, Massachusetts

As of January 1 of this year, it was necessary for The Secretary to inform you that, because of your default of dues at the close of the previous year, your membership in The Institute had been suspended.

At that time you were advised that you could restore your membership within the ensuing twelve months period by paying your indebtedness, and that if you failed to so restore your membership it would automatically terminate at the close of the year.

The Secretary hereby notifies you that to date you have not restored your membership, being still indebted to The Institute in the amount stated below, and that, if you do not pay at least the dues for 1943 on or before December 31 of this year (1944), your memberships in The Institute and in its chapters of which you are a member will terminate on that date.

The Board sincerely hopes you will not allow this to happen.

December 1, 1944

Secretary.

My dear Mr. Barnard:

The Institute is about to lose the memberships of several members whose affiliations are highly regarded, among them your own.

The books here at The Octagon for 1944 will not be closed finally until February 20, and if you can send a check for at least \$20.00 in payment of your 1943 dues — leaving dues for 1944 to receive attention in 1945 — your membership will be continued throughout the current year, and your name will appear in the new Directory to be printed this March.

As this letter is an informal one, we venture to express the sincere hope that you can continue to give the A.I.A. and the Boston Chapter the moral support of your active membership.

Sincerely yours,

Assistant Treasurer

Mr. John Barnard, A.I.A.

Mr. Edward C. Kemper, Executive Secretary  
American Institute of Architects  
1741 New York Avenue, N. W.  
Washington 6, District of Columbia

Dear Mr. Kemper:

I feel that your very considerate letter of February 1st requires not only an acknowledgement but some sort of explanation from me as to the circumstances that are forcing me to withdraw from the Institute.

No one regrets more than I the present situation.

I was not among the fortunate architects who procured government work during this period of building restrictions. You will understand readily that that has meant hard sledding, coming, as it did, on top of the depression years.

Last summer, business started to improve with post-war work coming into the office. Just as I began to see my way out, the September hurricane hit Cape Cod; and my home was among those badly damaged. It is costing me many thousand dollars indebtedness to get it back into living condition.

With these obligations before me, you can see that I have no right to spend money outside necessity.

If it were just the matter of current dues, I could probably eke it out somehow; but the accumulation plus my indebtedness to the local chapter puts me entirely out of the running.

I write this not in the way of complaint, many are worse off than I, but so that you may understand that there has been no carelessness; but a great deal of regret.

Thanking you again, I remain

Sincerely yours,

*John Barnard*

NOTICE OF TERMINATION OF MEMBERSHIP

March 1, 1945

To: Mr. John Barnard  
755 Boylston Street  
Boston, Massachusetts

It is with much regret that we send to you, and to those indicated below, this notice of termination of your corporate membership in The Institute, and in the chapter of The Institute to which you are assigned—because of non-payment of Institute dues.

This termination is effective as of December 31, 1944. The sending of this notice has been delayed with the earnest wish that you might take some action in the matter.

We sincerely hope that present conditions which so adversely affect the practice of architecture will definitely change for the better in the early future, thus making it convenient for you to meet your present obligation to The Institute and to apply for restoration of good standing before December 31, 1945.

The Institute values and needs your active support. The other Officers join with me in the hope that the loss of your membership is only temporary.

Sincerely yours,

*Alexander C. Robinson III*  
Secretary.
