The Board of Directors

Dear Members of the Board:

The purpose of this letter is to formally request that I be reinstated as a member of the Institute. I am therefore enclosing a xerox copy of my current California registration certificate as well as two checks totaling \$186.00 which I understand will bring the status of my dues up to date. As you will note one of the checks is for my National dues in the amount of \$98.00 and the other is for \$88.00 for our local Chapter. *R 5/13/77 11-16*

As a point of information I have really not been in practice since the summer of 1975. During the entire year of 1976 I had no office whatsoever and only did outside consulting and arbitration work. I should therefore like to respectfully request that whatever supplementary dues may be due for the few employees I had early in 1975 be waived.

In closing let me say that I have once again opened an office and am looking forward to becoming an active member of the Chapter.

Very truly yours,

Robert Batchelor

Dear Barbara:

This memo is to confirm the fact that I did not pay any F.I.C.A. taxes whatsoever during the calendar years of 1976 and 1977. Consequently, there are no past due or delinquent supplemental dues.

I am therefore enclosing two checks. One is for \$100.00 for National dues. The other is a \$20.00 check for reinstatement. I understand that I will be billed for whatever is due the Northern California Chapter.

Maureen Marx, Hon. A.I.A.

1735 New York Avenue, N. W.
Washington, D.C. 20006

Dear Ms. Marx:

After a great deal of thought and consideration I have come to the inescapable conclusion that I should terminate my membership in the American Institute of Architects as of the above date.

This has been a very difficult decision to make having been a Corporate member for the past 27 years, and having been a Jr. Associate for 4 years prior to becoming a full member.

My primary reason for reaching this decision is because I no longer have a conventional practice. At the present time virtually 99.9% of my activities are devoted to serving as a Consultant for various insurance companies in the legal defense of Architects, or serving as an Arbitrator with the American Arbitration Association. As a matter of fact I have been so involved in these activities that I was recently appointed to serve a second 3 year term on the A.A.A.'s National Board of Directors. To the best of my knowledge I am the first Architect to be appointed one of their National Directors. I should also mention that I have been to court on so many occasions that I sometimes feel that I have been on the defense team of every Architect this side of the Mississippi.

Please let me know if there is anything else I need do.

Very truly yours,

Robert Batchelor
