Dear Mr. Baumgarten:

The Board of Directors of The American Institute of Architects takes pleasure in informing you that it has acted favorably on your application and welcomes you to corporate membership in The Institute.

Dear Mr. Baumgarten:

As you are aware, every corporate member of The Institute must be assigned to a local chapter and state organization where such exists, and pay dues and assessments levied by the chapter and state.

When local dues remain unpaid, the component may request The Institute to terminate the membership.

It is a long-established policy of The Board of Directors of The Institute to support the components in this procedure but not without making every effort to bring about the restoration of the good standing of the corporate member involved.

The chapter to which you are assigned has requested that your corporate membership be terminated for nonpayment of chapter dues.

The purpose of this letter is to suggest that you make payment of all outstanding dues, and thereby preserve your membership.

Your response will be appreciated prior to **November 16, 1972**, for we must act on the recommendation to terminate your membership unless it is withdrawn by that date.
