My dear Sir:

I sent yesterday  
photographs of some  
of my work to go with  
my application for  
membership in the  
Institute - Whether these  
are sufficient or not  
I do not know but should  
anything further be  
necessary, I should be  
obliged to see if you  
would please know -

I have one example of  
work in Washington done

a few weeks ago (No. 1752  
Massachusetts Ave.) -

I did not use this evening  
to a cracked lintel over  
the door which I thought  
might "spout" me with  
the committee on admissions  
but the fault was not  
mine - It was due to a  
lost detail of construction.

Thanking you for your  
trouble and interest in  
me, I shall, I am

Very truly yours,  
Algernon S. Bell

Yours truly,  
G. F. Brown Esq.
