Dear Madame

I hear this morning from Mr Cook that you have returned to Philadelphia.

I should be glad to have a dozen or more copies of Dr. Walter's printed memorial to send to the Chapters &c. The Philadelphia Chapter makes a special point of the necessity of my general letter being supplemented by the memorial. Mr. Cook has given me some information as to the progress of the matter, but I should like to have the latest accounts from yourself.

Yours very truly

Dear Madame

Your favor of yesterday is at hand. Please fill in the within duplicate application form & return it before the 3rd prof^o, together with a few drawings & a specification of your firm, as well as some slight credential of your individual work, say an elevation & a plan. Whether finished or sketchy makes little difference, as long as the design is your own.

Don't trouble yourself about another endow. Don't ask one of my fellow trustees to be sponsor with me.

Yours truly

Dear Madam,

Your roll of drawings and specifications came to hand yesterday, as also your favor of 24th inst., with its enclosures.

I have examined all these credentials, & shall take pleasure in inviting the action of the Board on your application at its meeting next week, using Mr. Rapp's name as proposer with my own.

Yours very truly
