Dear Sir -

As my admission
to your Society yet remains
uncertain and will not be
decided in time for me to
come to St. Louis for the meeting
it seems best for me not to try
to attend this year.

Thanking you for trouble
you have taken to oblige me

Mr John M. Root

Dear Sir.

Your kind
note of congratulation
has just followed on
similar one from
Mr. Halsey. My sincere
thanks are certainly
due to you and thro'
you to all members
of your society for
the cordiality of the
welcome you have
accorded me, and
also for the extreme

Ability and adroitness with which the
nomination and election were managed

I am particularly sensible of the kindness
the association has rendered me, and the
honor it has done itself in preserving my
admission from any taint of ridicule or
notoriety. If the society's new member is
no great acquisition, its new measure is
certainly creditable and progressive.

Mr. Behm and I were well re-
-paid for our visit to Chicago. Mr. Lady's
courtesy enabled us to make the best
possible use of our time, and I am ei-
-sured with pleasure the Chicago meeting
next fall.

Do not trouble to acknowledge this
unduly long and unbusinesslike letter.
My usual address is 400 Irving Avenue, New York.

Dear Sir

In looking
thro' a package of N. A. A.

must have escaped my
notice at the time. The
